TOMORROW'S RADIOLOGY TODAY.

Leadership, education and innovation. For more than a century, these have been the pillars of the Radiological Society of North America (RSNA). So it's fitting the Society has brought them together in such a powerful way for its 104th Scientific Assembly and Annual Meeting with the theme **Tomorrow's Radiology Today.**

Tomorrow's Radiology Today encapsulates RSNA's commitment to keep you at the forefront of a rapidly changing technological landscape. Explore how radiologists are harnessing advanced technology and techniques in their clinical radiology practices right now to improve patient care and outcomes.

By convening the top minds in radiology, RSNA 2018 provides the best educational opportunities anywhere, while also providing valuable insight on where the profession is heading and what that direction means for you and for patient care.

THIS IS YOUR OPPORTUNITY FOR PROFESSIONAL GROWTH AND LEADERSHIP!

- Enhance your skills with a course program packed with plenary sessions and more than 430 top-level educational courses.
- Explore our Technical Exhibit Halls, where nearly 700 leading medical technology manufacturers, suppliers and developers converge to demonstrate their cutting-edge advancements.
- Delve into the latest research. Interact with breakthrough technologies like artificial intelligence, 3D printing and virtual reality, all rapidly changing how radiology is practiced.
- Network with others equally passionate about the field and as optimistic for tomorrow as you.

WHERE THE BRIGHTEST MINDS IN RADIOLOGY COME TOGETHER

This year's plenary speakers will cover a rich and diverse spectrum of fascinating topics important to those who care about radiology.

PLENARY SESSIONS

VIJAY M. RAO, MD

Sunday, November 25 at 8:30 AM

President's Address:

"How Emerging Technology Will Empower Tomorrow's Radiologists to Provide Better Patient Care"

MICHAEL P. RECHT, MD

Sunday, November 25 at 8:30 AM

Annual Oration in Diagnostic Radiology:

"Artificial Intelligence, Analytics, and Informatics: The Future is Here"

DONALD M. BERWICK, MD, MPP

Monday, November 26 at 1:30 PM

Plenary Lecture:

"Can Clinicians Lead Radical Redesign?"

DENISE R. ABERLE, MD

Tuesday, November 27 at 10:30 AM

RSNA/AAPM Symposium:

"Contemporary CT of the Indeterminate Lung Nodule: Where We Are and Why it Matters"

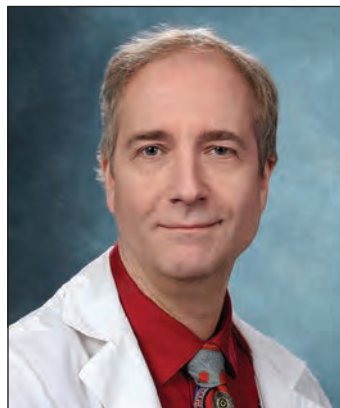

CYNTHIA MCCOLLOUGH, PHD

Tuesday, November 27 at 10:30 AM

RSNA/AAPM Symposium:

"CT Technology—and Dose—in the 21st Century"

FLEMMING FORSBERG, PHD

Tuesday, November 27 at 1:30 PM

New Horizons Lecture:

"Oscillating Microbubbles—Driving Innovation in Ultrasound"

SILVIA C. FORMENTI, MD

Wednesday, November 28 at 1:30 PM

Annual Oration in Radiation Oncology:

"Radiotherapy to Convert the Tumor into an In Situ Vaccine"

FEI-FEI LI, PHD

Thursday, November 29 at 2 PM

Plenary Lecture:

"Toward Ambient Intelligence in AI-Assisted Healthcare Spaces"

A PLACE TO UNWIND FOR OUR GENEROUS SUPPORTERS

The RSNA Research & Education Foundation Donor Suite

As a well-deserved thank you, R&E donors who've contributed \$300 or more during the year enjoy access to our Donor Suite, a comfortable respite during busy RSNA. You'll enjoy light refreshments and can put your feet up, unwind, unplug—or plug in to recharge your mobile device. Donors are also recognized on the Donor Wall at the annual meeting and on the R&E Foundation website. Find out more at [RSNA.org/Give-to-the-Foundation](https://www.rsna.org/Give-to-the-Foundation).

ENRICH YOUR MEETING EXPERIENCE!

EXPLORE

Technical Exhibits

One of the meeting's most popular destinations, the RSNA Technical Exhibit Halls comprise one of the largest medical exhibitions in the world. Leading manufacturers, suppliers and medical technology developers will demonstrate the latest advancements in medical imaging and discuss the radiology products and services you need to enhance operations and improve patient care. Explore the latest innovations and take in a presentation in the Machine Learning Showcase, focusing on artificial intelligence, and the 3D Printing and Advanced Visualization Showcase, highlighting emerging radiology tech like virtual reality. See a complete list of exhibitors and Showcase Presentations at Meeting.RSNA.org.

ENGAGE

Learning Center

Explore more than 2,500 posters on science, education and quality improvement topics. You'll find fascinating posters for self-study throughout the week, plus you may claim CME after meeting with select abstract authors during 30-minute presentations given over the lunch hour, Sunday through Thursday. Additional CME opportunities are available by successfully completing Cases of the Day and CME Learning Checkpoint activities. Other highlights include: a variety of special interest exhibits, the artificial intelligence community, informatics demonstrations and a quantitative image reading room, where you can engage in hands-on learning. Learn more at Meeting.RSNA.org.

MAXIMIZE

Enhance Your RSNA 2018 Visit with Virtual Meeting

The Virtual Meeting ensures you get the most out of your RSNA visit. Add it to your in-person experience, or enjoy from the comfort of your home.

With Virtual Meeting you'll have access to over 200 live-streamed and on-demand sessions, scientific presentations, education exhibits and Cases of the Day—both during and after RSNA 2018. Virtual Meeting also lets you earn CME credit for all sessions you view live, correct Cases of the Day diagnoses and select on-demand courses. Enjoy access to meeting content through April 30, 2019 and manage your schedule on your terms. Visit RSNA.org/Virtual to learn more.

SUPPORT

RSNA R&E Foundation 5k Fun Run

Sponsored by Konica Minolta Healthcare

Tuesday, November 27, 6:30 AM, \$40

Join us for the RSNA 2018 5k Fun Run to support radiology research and education. Whether you run, jog or walk, enjoy an outing for a good cause and network with your colleagues along Chicago's beautiful Lake Michigan shoreline. Your fully tax-deductible donation benefits the RSNA R&E Foundation. Plus, you'll receive a commemorative T-shirt, while supplies last. Register now at RSNA.org/Fun_Run.

DINE & DISCUSS

Bistro RSNA

Lunch: Sunday, November 25 to Wednesday, November 28, 11 AM to 2:30 PM

Special Brunch Menu: Thursday, November 29, 10:30 AM to 1:30 PM

Enjoy an extensive healthy menu and ample seating within the North and South Technical Exhibit Halls. Look for Bistro RSNA when you need a convenient spot for a comfortable lunch or to network with colleagues. Plus, Bistro RSNA serves a popular brunch menu on Thursday, November 29. Purchase in advance for discounted Bistro tickets at only \$23 per meal. For more information, visit Bistroticket.com/RSNA.

DISCOVER

Discovery Theater

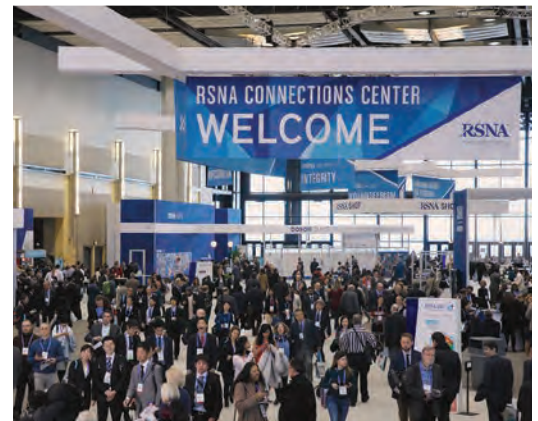

Find a wealth of entertaining and informative programming in this popular area. Stop in for presentations on navigating Chicago to educational programming, career advice and performances. Also enjoy the Diagnosis Live™ Resident Competition, where residency programs compete for ultimate bragging rights. Or simply relax and unwind with a lineup of top-notch entertainment, including a mind-blowing performance from renowned mentalist Sean Bott, a rock 'n' roll tribute band and two jazz ensembles—each led by talented RSNA members! Visit Meeting.RSNA.org to see the full programming schedule.

REST & RECHARGE

The Connections Center

The RSNA Connections Center provides a welcoming, open-concept space for relaxing and networking with your peers. In addition to the Discovery Theater with lounge seating, musical performances, charging stations and a complimentary photo booth, the Connections Center also offers easy access to Digital Support, RSNA Shop, the Information Desk, Membership & Resources and the R&E Donor Suite.

GET GLOBAL INSIGHT

Country Presents

RSNA 2018 will recognize The Nordic Countries, Australia and New Zealand as this year's Country Presents. Attendees from these countries will receive special recognition at Country Presents education sessions. Visit The Nordic Society of Medical Radiology in the South Hall, featuring Denmark, Finland, Iceland, Norway and Sweden and explore a range of topics from radiology education to mammography research. Additionally, plan to attend *Australia and New Zealand Present: Clinical Radiology and Radiation Oncology*. You'll also find exhibitors from these countries throughout the exhibit halls, allowing you to learn more about radiology practices and advances from these countries.

Keep Your Skills Sharp in the Fast-Paced World of Radiology Science and Patient Care

Explore all RSNA 2018 has to offer. From cutting-edge science to the latest advancements in patient care, the annual meeting keeps radiologists informed, engaged and inspired. Just take a look at some of these highlights.

Deep Learning in Radiology: How Do We Do It?

Sunday, November 25

In this course, you'll learn what deep learning is, how it's being deployed in radiology and understand the challenges and benefits of creating a laboratory dedicated to machine learning. You'll also see examples from different institutions that are applying this technology to radiology.

Imaging Cognition 2018: Addiction

Monday, November 26

This fascinating session explores the ways in which radiology can be used to assess addiction. The session includes an overview of the state of addiction in America and a panel discussion. Participants will learn the basis of PET neurochemical imaging, the association between dopamine signaling and drug-seeking behavior as well as other outcomes. The Use of fMRI in Addiction will provide an understanding of the neural circuit associated with cravings, and MRS in Craving with a Focus on Alcoholism will explore the theoretical reward circuitry of the human brain, among other outcomes.

LEARN FROM RADIOLOGY'S TOP EXPERTS! COME TO RSNA 2018. REGISTER AT [RSNA.ORG/REGISTER](https://www.rsna.org/register)

RSNA/ESR Sports Imaging Symposium

Wednesday, November 28

This symposium offers a range of topics important to sports imaging, including upper and lower extremity sports injuries, musculoskeletal interventional procedures, post-operative imaging and interactive case discussions.

RSNA Deep Learning Classroom

In response to the overwhelming success of last year's classroom, NVIDIA Deep Learning Institute again presents a weeklong RSNA Deep Learning Classroom. You'll find nearly two-dozen 90-minute courses, including introductory courses and specialty topics. Practicing radiologists get a hands-on opportunity to understand ways in which AI is clinically relevant for them. Those with an understanding of machine learning can discover deeper insights. Bring your laptop—you'll be engaging with machine learning tools, writing algorithms and improving your understanding of emerging machine learning technology.

Interactive Game: When Do Imaging Findings Make a Difference?

Thursday, November 29

This session allows you to recognize and review a range of potential interpretive pitfalls in oncologic imaging of the nervous, gynecologic and musculoskeletal systems, using an interactive audience response system.

Corporate Symposiums

Sunday, November 25 to Thursday, November 29

Attend educational programming provided by RSNA 2018 exhibitors at McCormick Place during the annual meeting. You can find symposium session details, online at Meeting.RSNA.org. CME credit, if provided, will be through a third-party provider and not through RSNA.

Fast 5!

Thursday, November 29

Back by popular demand! Five topics. Five speakers. Five minutes each. Hold on for a blazing-fast discussion touching on everything from non-clinical innovations to what the future holds for radiology and those who practice it.

RSNA 2018 CME EDUCATION

Learning Objectives

At the conclusion of the RSNA Scientific Assembly and Annual Meeting, participants will be able to:

- Access the results of new research and assess its potential application to clinical practice
- Improve basic knowledge and skills relevant to clinical practice
- Practice new techniques
- Evaluate the potential of technological innovations and advances to enhance clinical practice and problem solving
- Apply principles of critical thinking to ideas from experts and peers in the radiologic sciences

Continuing Education Credits Available

The Radiological Society of North America (RSNA®) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The RSNA designates this live activity for a maximum of 99.25 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

You will evaluate CME courses and claim your credit electronically, so you can print your certificate onsite at the meeting and walk away with your certificate in hand. As the meeting approaches, you will receive information on how to claim CME instantly from the courses you take.

The Commission on Accreditation of Medical Physics Education Programs (CAMPEP) has approved the direct transfer of *AMA PRA Category 1 Credits™* to Medical Physics Education Programs (MPPEC) on a credit-for-credit basis for medical physicists.

RSNA is an ARRT®-approved Recognized Continuing Education Evaluation Mechanism Plus (RCEEM+) and will provide Category A+/A continuing education credits for radiologic technologists and radiologist assistants.

International Attendees

CME credits may be transferable. See below for details.

- Australia and New Zealand: RSNA is an authorized CPD provider.
- Canada: *AMA PRA Category 1 Credits™* can be converted to Royal College MOC credits.
- Mexico: All *AMA PRA Category 1 Credits™* are transferable.
- Europe: Due to an agreement of mutual recognition, the UEMS European Accreditation Council will convert *AMA PRA Category 1 Credits™* to EACCME European CME Credits (ECMECs). For more information, contact the European Union of Medical Specialists (UEMS) at info@uems.net or visit UEMS.net or EACCME.eu.
- Worldwide: CME claimed at RSNA 2018 may be transferable. Contact the CME governing body in your home country for details.

TECHNICAL EXHIBITS

SAY HELLO TO THE FUTURE OF RADIOLOGY!

If it's important to radiology's future, you'll find it here. From Machine Learning, 3D printing and advanced visualization to next-generation startups, the Technical Exhibit Halls bring together nearly 700 of the leading manufacturers, suppliers, developers and innovators of medical imaging and technology. This is where you'll discover the latest advances to patient care and your workflow.

COME SEE THE FUTURE OF RADIOLOGY! REGISTER AT [RSNA.ORG/REGISTER](https://www.rsna.org/register)

NEW FOR 2018! 3D Printing & Advanced Visualization Showcase

Sponsored by  terarecon

You said you wanted to learn more about 3D printing, virtual reality and augmented reality and we heard you! This year, we introduce this exciting new showcase in the South Hall. Here, you'll interact with the experts and see daily presentations about this diverse and growing specialty at the Showcase Theater. Industry leaders will be presenting from 11 AM to 2 PM focusing on this groundbreaking technology. Plus from 2 to 3 PM (Sun.-Wed.) the RSNA 3D Printing Special Interest Group—consisting of clinicians and top leaders in the field—will conduct presentations on the latest research and innovations in 3D printing for medical applications. Visit Meeting.RSNA.org for a complete list of Showcase Presentations.

NEW FOR 2018! IR Zone

Interventional Radiology is a top specialty at RSNA 2018 and at the forefront of innovative medical care. Stay current and connect with companies focused on the latest product advancements in image-guided radiology with this entirely new area, located in the South Hall.

Machine Learning Showcase

Sponsored by  ARTERYS  Google Cloud
Medical Imaging Cloud AI

Introduced at RSNA 2017, the Machine Learning Showcase is an exciting centerpiece of the exhibit halls! Located in the North Hall, you'll find 24,000 square feet of floor space with nearly 80 companies focusing on the latest developments in ML and AI software and products. Plus each day from 11 AM to 2 PM you can learn more about this game-changing technology at the Machine Learning Theater featuring presentations on the latest hot topics on AI, machine learning and deep learning. Visit Meeting.RSNA.org for a complete list of Showcase Presentations.

First-Time Exhibitor Pavilion

Keep up with the newest exhibitors at RSNA. Visit the South Hall to see the latest in radiology from these innovative companies and seek out other first-time exhibitors as identified by the First-Time Exhibitor logo.

Start-Up Showcase

Experience tomorrow's radiology today up close when you visit the Start-Up Showcase in the South Hall. Meet with companies keeping up with the rapidly changing world of radiology as they demonstrate emerging and inventive ways to improve your practice and enhance patient care.

Vendor Workshops

Get hands-on tutorials of commercial software systems in a classroom setting. Refer to the online program for a complete list of available Vendor Workshop sessions.

Publisher's Row

Explore the works of top medical publishers offering the newest radiology education, hot off the presses. Stop by the RSNA Publications booth to learn more about RSNA Journal-related products and services, including three new *Radiology* subspecialty journals launching in 2019.

WELCOME TO CHICAGO

CHICAGO—THE CITY THAT WORKS AND THE CITY THAT PLAYS

There's a reason so many people love to visit Chicago for the annual meeting each year. It's affordably accessible from anywhere, public transportation makes getting around town easy, and McCormick Place remains the undisputed leader in modern sophisticated convention centers.

And, of course, there's deep-dish pizza...

...And acclaimed cutting-edge fine dining. And did you know that Chicago was named Best Restaurant City of the Year by Bon Appetit and that Rick Bayless's Topolobampo now has a James Beard Award?

And then there's the architecture. And world-class shopping on Michigan Avenue. And five-star hotels. And big theaters. And small theaters. And "the Bean". Oh, and the Art Institute! And ice skating in Millennium Park. And of course, Macy's holiday windows...

And, *whew*. On top of all of that...

Chicago is budget friendly!

Chicago's rich history, cultural diversity and architecture mean you'll find multitudes of free and almost-free activities around the city, a quick hop from McCormick Place. Art galleries, street food (try a Chicago-style hot dog!), walking tours and more are all waiting for you!

For budget friendly ideas visit:

- Choose Chicago — ChooseChicago.com/RSNA
- Chicago Greeter Visits — ChicagoGreeter.com
- Chicago Architecture Foundation — Architecture.org
- Time Out Chicago — Timeout.com/Chicago
- The Local Tourist — Thelocaltourist.com

United Airlines

- United offers discounts from 2 to 10% off applicable fares.
- Book online at [United.com/MeetingTravel](https://www.united.com/MeetingTravel), enter: Offer Code: ZECR659898.
- Call United at 1-800-426-1122 and provide the offer code (service fee applies for phone reservations).
- Applicable terms and restrictions apply.

Delta

- Delta offers special discounts on most fares.
- Book online at [Delta.com/Meetings](https://www.delta.com/Meetings) and enter Meeting Event Code: NMS2L.

- Applicable terms and restrictions apply.

Air Travel through TravelStore

- Book air travel through TravelStore by October 26, 2018, and enter to Win Free Airfare.
- You'll be entered in a drawing for a \$500 USD travel credit good toward future airfare on United Airlines.
- Call 1-310-752-9106, 10:30 AM to 7 PM CT and mention code AM2018 to book your travel today

IT'S A GREAT TIME TO BE IN CHICAGO—DON'T MISS OUT! REGISTER AT [RSNA.ORG/REGISTER](https://www.rsna.org/register)

HOTEL RESERVATIONS

RESERVE THROUGH RSNA AND GET THESE BENEFITS:

SPECIAL RATES

You'll save up to 34% when you reserve your hotel through RSNA.*

TERRIFIC OPTIONS

Choose from nearly 100 downtown Chicago hotels, designed to fit any budget, with a range of room rates from economy to 5-star.

LOYALTY POINTS

Yes, you will still earn your loyalty points from your preferred hotel.

GREAT CUSTOMER SERVICE

Agents are on duty to make sure your reservation is perfect and assist with any hotel issues, questions or concerns.

FREE TRANSPORTATION

Hop on convenient shuttle buses or take advantage of Metra Electric Line train service to/from RSNA-contracted hotels and McCormick Place.

PEACE OF MIND

Our travel partners are vetted, trusted and experienced.

*Savings based on rate comparison from online travel sites as of 8/20/2018.

DISCOVER WHAT SO MANY ATTENDEES ALREADY KNOW: IT'S BETTER TO RESERVE YOUR ROOM THROUGH RSNA

RSNA is your dedicated travel partner before, during and after RSNA 2018. Reserve now and take advantage of the best hotel room selection in downtown Chicago along with exclusive discounted rates. Let RSNA take care of your 2018 hotel reservations so you can relax and enjoy your stay.

Reserve your hotel today at RSNA.org/Hotel-Reservations

Please note: Experient is the only certified partner to reserve your RSNA 2018 hotel rooms! Be aware of fraudulent and counterfeit websites—only reserve your RSNA hotel reservations through Experient, our trusted partner since 1980.

International Travel Partners

E.S.A. Voyages is our official international travel partner for groups, offering a variety of flexible packages for both airfare and hotel. Contact esa@esavoyages.fr

Groups From China & Taiwan

Ace specializes in assisting visitors attending from China and Taiwan. Learn what travel and hotel packages this experienced and trusted partner can provide. Contact stephaniezhu@acemarketing.com.cn

RSNA 2018 REGISTRATION PACKAGES

Visit RSNA.org/Registration-Packages to view complete package details.

Standard Package:

- 6 Full Days of Conference Access
- 430+ Educational Courses
- 1,700 Oral Scientific Presentations
- 2,500 Scientific and Education Posters
- Nearly 700 Technical Exhibits
- CME Credits

Deluxe Package: Includes all of the benefits of the Standard Package plus complete Virtual Meeting.

Premium Package: (*limited availability*) Includes all the benefits of the Deluxe Package plus your choice of a voucher to use toward RSNA Bistro tickets, Starbucks gift cards, discounts on RSNA Shop purchases, priority taxi boarding and more, OR a 6-month trial RSNA Membership (if eligible), which includes:

- Online Access to *Radiology* and *RadioGraphics*
- RSNA News Trial Subscription
- Online Education Access
January 1–June 30, 2019

Virtual Only Package:

Virtual Meeting allows you to experience it all with virtual access through April 2019, and includes live-streamed and on-demand courses, select CME-eligible courses on-demand, Cases of the Day, Education Exhibits and more.

Executive Package: (*limited availability*) Includes all of the benefits of the Standard Package plus exclusive networking opportunities.

Technical Exhibits Only Package: Provides access to both Technical Exhibit Halls on a day of your choosing, including nearly 700 technical exhibitors (admission to sessions and/or CME is not offered).

TERMS & CONDITIONS

Privacy is central to excellence in patient care and healthcare delivery. RSNA takes yours very seriously.

By registering for the RSNA Annual Meeting, you understand and accept our privacy policy. Specifically, you understand that your personal data will be processed by RSNA as data controller in the United States for the purposes of registering for the annual meeting. Completing this registration form constitutes the completion of a contract for the event. Note that required fields are necessary to complete the process.

RSNA takes photographs and videos in public areas during the event, and uses your contact information in the context of related annual meeting educational, informational, and marketing activities, based on our legitimate interest in promoting our activities and communicating with you but you may opt-out at any time.

RSNA retains personal data for our business purposes, including compliance with regulations, and for historical and archiving purposes. Please note, we use third-party contractors and vendors based in the United States for credit card transactions and marketing communication. For more information about the RSNA privacy policy, visit [RSNA.org/Privacy-Policy](https://www.rsna.org/Privacy-Policy). If you have any questions, or don't want to appear in our publications, or to exercise any of your rights please contact us at privacy@rsna.org.

Name badges will not be mailed in advance

Attendees must pick up badges and meeting materials at designated registration areas throughout McCormick Place, or at designated hotel locations. A valid photo ID is required.

Your badge is equipped with beacon technology that eliminates the need to verify your attendance, simplifies the CME process and links you to Meeting Central for an enhanced meeting experience. Please Note: Although your badge also allows RSNA to gather data to improve future meetings, we will never share, rent or sell your personally identifiable information. To opt out of this technology, please visit any registration location.

Badge Classification

Badge classification is subject to RSNA approval and category or rate change. Registration categories 15, 18, and 23 require verification in order to be processed. These categories require a business card, a letter from hospital administration stating your role in radiology, a valid RT license or student ID copy. Upload during online registration or email rsnaverify@experient-inc.com. If verification qualifies you for a different registration category, the registration will automatically be reclassified and you will be charged the appropriate fee. Registration is subject to cancellation if verification is not provided within five business days after registration.

Spouse/Family Member Badge

Annual meeting professional registrants* are entitled to one complimentary spouse/family member badge; each additional badge is \$50. This badge is intended for use by a spouse or family member (16 and over) accompanying an annual meeting professional registrant to the meeting. It allows access to Technical Exhibit Halls, Learning Center and classrooms, space permitting, after all professional registrants have been seated. CME credit is not tracked or awarded. A co-worker or industry associate is not eligible for this badge and must register as a professional and pay the applicable registration fee. Spouse/Family member badge is subject to RSNA approval. To uphold professional and educational standards, children under 16 years of age are not permitted in the exhibit halls and will not be issued a badge.

**Excludes Virtual-only and Technical Exhibits-only package registrants.*

Registration Changes and Cancellations

- Name changes are not allowed—new registration and payment is required.
- Badges are non-transferable.
- All registration cancellations must be made in writing to rsna@experient-inc.com by October 26.
- A \$50 administrative charge applies per canceled registration.
- Refund requests received after October 26 will not be accepted.
- The cancellation policy applies to all registration packages, including those processed after October 26.

Hotel Deposit Policy

A deposit equal to the first night's room and tax is required to confirm your hotel reservation. The credit card used must be valid through December 2018 and will be charged by the hotel approximately two weeks before the annual meeting. If the credit card is declined, the reservation may be canceled by the hotel. Attendees may also send a check or money order for the hotel deposit.

Hotel Cancellation Policy

Reservations may be canceled without charge through October 26, 2018, by emailing Experient at rsna@experient-inc.com. Failure to comply will result in forfeiture of the deposit equal to the first night's room and tax. Early departures will result in the loss of the first night's room and tax.

Reservation Changes (Prior to November 8)

You can make changes online at [RSNA.org/hotel-reservations](https://www.rsna.org/hotel-reservations) or you may email rsna@experient-inc.com. Name changes and/or swapping of room reservations is not allowed.

Cancellations and Early Departures

Written requests for room cancellations must reach rsna@experient-inc.com by November 7.

After November 12, contact the hotel directly for date changes and room cancellations. Room availability and rates are at the hotel's discretion.

- Early departures will result in the loss of the first night's room and tax.
- Failure to check in at the hotel on your scheduled arrival day will result in forfeiture of your reservation and hotel deposit. The hotel will accommodate you on a space-available basis.
- When cancelling your room reservation directly with the hotel, document the date and time of your call and the name of the person with whom you spoke. Obtain a cancellation number.

Special Notes

- Suites are available upon request. Contact Experient at 1-800-650-7018 or 1-847-996-5862.
- Attendees may not request hotel reservations through technical exhibitors.
- Rates do not include a 17.4% Chicago hotel tax (subject to change).
- A service fee has been included in your room rate to defray the cost of registration and local transportation.

VIRTUALLY ACCESS TOMORROW'S RADIOLOGY TODAY

With Virtual Meeting, you have access to an incredible array of meeting content—from anywhere. Register for Virtual Meeting as a standalone option, or as part of the Deluxe Package, to maximize your in-person meeting experience.
