

Location, Location, Location

Situated in the nation's heartland, Chicago is a world-class city easily accessible from both U.S. coasts and every corner of the globe. Two large, modern airports offer convenience for both arrivals and departures and public transit makes travel within the city efficient. Plus, when you consider all the amenities of McCormick Place, the undisputed leader among convention centers in North America, it's easy to see why Chicago is good for business.

And it's good for pleasure, too. Broadway shows, department stores, sporting events, art galleries, designer boutiques, live music, nightclubs, museums, five star dining and deep dish pizza...Chicago has it all—including RSNA 2017, radiology's premier event.
