

RSNA 2017 Virtual Meeting

Take in RSNA 2017 where and when you want—register for the Virtual Meeting to experience an incredible array of educational programming, scientific presentations, education exhibits and more.

Valuable Content With over 100 live-streamed and on-demand courses, the Virtual Meeting gives you access to educational courses, plenary sessions and additional meeting content.

Extended Access In addition to live and on-demand programming during the annual meeting from November 25 to December 1, enjoy extended access through February 28, 2018, at 4 PM Chicago Time.

CME Credit RSNA 2017 Virtual Meeting offers CME credit for all live-viewed sessions upon completion of a course evaluation or submitting correct diagnoses for Cases of the Day and select on-demand sessions upon successful completion of a test and course evaluation.

Your Time, Your Place, Your Meeting, Your Community With the Virtual Meeting, you have the power to maximize your meeting experience—when and where you choose! What's more, join the virtual community with live chat capabilities allowing you to discuss course content with colleagues from across the globe. Register now to get the most from RSNA 2017.

VISIT MEETING.RSNA.ORG/VIRTUAL TO:

- View the complete Virtual Meeting course listing.
- Access live and on-demand courses during and after the meeting.

VIRTUAL MEETING DATES AND HOURS

The Virtual Meeting is available beginning at 8 AM CT on Saturday, November 25, with sessions beginning that afternoon. Live programming will run simultaneous to the RSNA 2017 annual meeting, which ends on Friday, December 1. After that date, all Virtual Meeting programming will run on demand through February 28, 2018, at 4 PM Chicago Time.

CME CREDIT

- Live sessions must be viewed at the time of the course to be eligible for CME credit.
- Content captured during live sessions will be made available for on-demand viewing within 24 hours of the live session, and will remain available through February 28.
- Only those courses designated as CME-eligible on-demand will qualify for CME credit when viewed on demand.

VIRTUAL MEETING COST

Flexible pricing allows you to attend the RSNA 2017 Virtual Meeting in conjunction with the live annual meeting or as a stand-alone product. Visit RSNA.org/Register to learn more; retired RSNA members receive free access.

REGISTRATION

Virtual Meeting registration runs concurrent to RSNA 2017 registration, and will continue through February 28. Register at RSNA.org/Register.

RSNA 2017 Virtual Meeting

HOW DO I OBTAIN A CERTIFICATE OF ATTENDANCE?

Your Certificate of Attendance for the Virtual Meeting will be automatically emailed to you after you attend your first live virtual session and complete the evaluation.

LIVE CONTENT AVAILABLE FOR CME CREDIT

Live Virtual Meeting activity has been approved for 85.50 *AMA PRA Category 1 Credits*[™]. To qualify for CME credit for live (virtual) participation, document your attendance by evaluating the courses in which you participate; then, claim credit online using CreditEval. In order to receive credit, you must attend the entire session. The virtual session will automatically track your attendance. For each course in which you participate virtually, a link will be made available at the conclusion of the course. Use this link and claim credit through the posted credit evaluation deadline, which is typically one to two weeks after the end of RSNA 2017. For RSNA members, credits will automatically be applied to the RSNA CME Repository.

Once you have evaluated all eligible courses, follow the prompt to print your CME certificate for your live Virtual Meeting courses.

CME-ELIGIBLE CONTENT ON-DEMAND

Participants that watch CME-eligible on-demand courses will be prompted to complete a test on the material after viewing. After achieving a score of 80 percent or better, you will be asked to complete a course evaluation. Once these two requirements are met, you will receive an email with your on-demand CME certificate attached. One on-demand CME certificate is sent for each on-demand course completed. For RSNA members, credits will automatically be applied to the RSNA CME Repository.

RSNA extends its appreciation to instructors who have provided questions and references for these courses, making on-demand CME possible. AMA considers on-demand programming as an Enduring Material and requires assessment of the learner by patient management case studies, a post test, and/or application of new concepts in response to simulated problems.

WHAT TYPES OF CME CERTIFICATES ARE AVAILABLE?

Depending upon the way in which you attend a virtual course, you may earn up to three types of CME certificates:

- One certificate will be awarded for all physical sessions attended (live meeting)
- One certificate will be awarded for all live-streamed sessions attended (live Virtual Meeting)
- One certificate will be awarded for each CME on-demand session completed

New this year, certificates earned for CME-eligible sessions on demand may be viewed in My Agenda and in the RSNA Repository for members.

CASES OF THE DAY

Virtual Meeting participants may submit answers for Cases of the Day by midnight CT on the day the case is presented at the annual meeting. Correct answers will be revealed the following morning. Virtual Meeting participants who submit the correct answer will receive 0.5 *AMA PRA Category 1 Credits*[™].

ARE CME CREDITS TRANSFERABLE?

CME is now accepted in Europe, Canada, Mexico, Australia and New Zealand.

- **Australia and New Zealand:** RSNA is an authorized CPD provider.
- **Canada:** *AMA PRA Category 1 Credits*[™] can be converted to Royal College MOC credits.
- **Mexico:** All *AMA PRA Category 1 Credits*[™] are transferable.
- **Europe:** In accordance with an agreement of mutual recognition, the UEMS-European Accreditation Council will convert *AMA PRA Category 1 Credits*[™] to EACCME European CME Credits (ECMECs). For more information, contact the European Union of Medical Specialists (UEMS) at info@uems.net or UEMS.net or ECCME.eu.
- **Worldwide:** CME claimed at RSNA 2017 may be transferable. Interested attendees should contact the CME governing body in their home country for details.
