WHAT ARE FREIGHT SERVICES?

As the official service contractor, Freeman is the exclusive provider of freight services. Material handling includes unloading your exhibit material, storing up to 30 days in advance at the warehouse address, delivering to the booth, the handling of empty containers to and from storage, and removing of material from the booth for reloading onto outbound carriers. It should not be confused with the cost to transport your exhibit material to and from the convention or event. You have two options for shipping your advance freight — either to the warehouse or directly to show site.

HOW DO I SHIP TO THE WAREHOUSE?

- We will accept freight beginning 30 days prior to show move-in.
- To check on your freight arrival, call Exhibitor Services at the location listed on the Quick Facts.
- To ensure timely arrival of your materials at show site, freight should arrive by the deadline date listed on the Quick Facts. Your freight will still be received after the deadline date, but additional charges will be incurred.
- The warehouse will receive shipments Monday through Friday, except holidays. Refer to the Quick Facts for warehouse hours. No appointment is necessary.
- The warehouse will accept crates, cartons, skids, trunks/cases and carpets/pads. Loose or pad-wrapped material must be sent directly to show site.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- Shipments received without receipts or freight bills, such as Federal Express and UPS, will be delivered to the booth without guarantee of piece count or condition.
- Certified weight tickets must accompany all shipments.
- Warehouse freight will be delivered to the booth prior to exhibitor set up.

HOW DO I SHIP TO SHOW SITE?

- Freight will be accepted only during exhibitor move-in. Please refer to the Quick Facts for the specific exhibitor move-in dates and times.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- Shipments received without receipts or freight bills, such as Federal Express and UPS, will be delivered to the booth without guarantee of piece count or condition.
- Certified weight tickets must accompany all shipments.

WHAT ABOUT PREPAID OR COLLECT SHIPPING CHARGES?

- Collect shipments will be returned to the delivery carrier.
- To ensure that your freight does not arrive collect, mark your bill of lading “prepaid.”
- “Prepaid” designates that the transportation charges will be paid by the exhibitor or a third party.

HOW SHOULD I LABEL MY FREIGHT?

- The label should contain the exhibiting company name, the booth number and the name of the event.
- The specific shipping address for either the warehouse or show site is located on the Quick Facts.

HOW DO I ESTIMATE MY MATERIAL HANDLING CHARGES?

- Charges will be based on the weight of your shipment. Each shipment received is billed individually and is subject to the applicable show weight minimum. The shipment weight will be rounded to the next 100 pounds. Each 100 pounds is considered one “cwt.” (one hundred weight). All shipments are subject to reweigh.
- On the Material Handling Order Form, select whether the freight will arrive at the warehouse or be sent directly to show site.
- Next, select the rate for the freight category that best describes your shipment. There are four categories of freight:

Crated: material that is skidded or is in any type of shipping container that can be unloaded at the dock with no additional handling required.

Special Handling: material delivered by the carrier in such a manner that it requires additional handling, such as ground unloading, stacked and constricted space unloading, designated piece unloading, loads mixed with pad-wrapped material, loads failing to maintain shipping integrity, and shipments that require additional time, equipment or labor to unload. Federal Express and UPS are included in this category due to their delivery procedures.

Uncrated: material that is shipped loose or pad-wrapped, and/or unskidded machinery without proper lifting points.

Carpet and/or Pad Only: shipments that consist of loose carpet and/or padding only require additional labor and equipment to unload.

- All inbound and outbound shipments are subject to overtime charges if the shipments are received, loaded or unloaded during the overtime hours specified on the Material Handling Order Form. This includes both warehouse and show site shipments.
- Add any late delivery or off-target charges listed on the Material Handling Order Form if the freight will be received after the deadlines listed on the Quick Facts.
- The above services, whether used completely or in part, are offered as a package and the charges will be based on the total inbound weight of the shipment.

WHAT HAPPENS TO MY EMPTY CONTAINERS DURING THE SHOW?

- Pick up “Empty Labels” at the Freeman Service Center. Once the container is completely empty, place a label on each container individually. Labeled empty containers will be picked up periodically and stored in non-accessible storage during the event.
- At the close of the show, the empty containers will be returned to the booth in random order. Depending on the size of the show, this process may take several hours.

HOW DO I PROTECT MY MATERIALS AFTER THEY ARE DELIVERED TO THE SHOW OR BEFORE THEY ARE PICKED UP AFTER THE SHOW?

- Consistent with trade show industry practices, there may be a lapse of time between the delivery of your shipment(s) to your booth and your arrival. The same is true for the outbound phase of the show — the time between your departure and the actual pick-up of your materials. During these times, your materials will be left unattended. We recommend that you arrange for a representative to stay with your materials or that you hire security services to safeguard your materials.

HOW DO I SHIP MY MATERIALS AFTER THE CLOSE OF THE SHOW?

- Each shipment must have a completed Material Handling Agreement in order to ship materials from the show. All pieces must be labeled individually.
- To save time, complete and submit the Outbound Shipping Form in advance, or you may contact the Freeman Service Center at show site for your shipping documents.
- Once we receive your outbound shipping information we will create your Material Handling Agreement and shipping labels. If the shipping information is provided in advance, the Material Handling Agreement will be delivered to your booth with your invoice. Otherwise the Material Handling Agreement and labels will be available for pick up at the Freeman Service Center.

- After materials are packed, labeled, and ready to be shipped, the completed Material Handling Agreement must be turned in at the Freeman Service Center.
- Call your designated carrier with pick-up information. Please refer to the Quick Facts for specific dates, times and address for pick up. In the event your selected carrier fails to show by the final move-out day, your shipment will either be rerouted on Freeman’s carrier choice or delivered back to the warehouse at the exhibitor’s expense.
- For your convenience, approved show carriers will be on site to book outbound transportation if you have not made arrangements in advance.

WHERE DO I GET A FORKLIFT?

- Forklift orders to install or dismantle your booth after materials are delivered may be ordered in advance or at show site. We recommend that you order in advance to avoid additional charges at show site. Refer to the Rigging Order Form for available equipment.
- Advance and show site orders for equipment and labor will be dispatched once a company representative signs the labor order at the Freeman Service Center.
- Start time is guaranteed only when equipment is requested for the start of the working day.

DO I NEED INSURANCE?

- Be sure your materials are insured from the time they leave your firm until they are returned after the show. It is suggested that exhibitors arrange all-risk coverage. This can be done by riders to your existing policies.
- All materials handled by Freeman are subject to the Terms and Conditions, which can be found in the exhibit service manual or online at www.freeman.com.

AUTOMOBILES & SMALL UTILITY VEHICLES LOADING AND UNLOADING

VEHICLES NEED NOT ENTER MARSHALLING YARD. THIS IS A REFERENCE POINT ONLY.

VEHICLE TRAFFIC TO LAKESIDE CENTER LEVEL 2 & LEVEL 3

To reach the Lakeside Center (East Building), vehicles will leave the Marshalling Yard and travel over the 31st Street Overpass to Fort Dearborn Drive. This is the Frontage Road, East of Lake Shore Drive. Follow E2 & E3 directional signs.

VEHICLE TRAFFIC TO NORTH BUILDING LEVEL 1 & LEVEL 3

For McCormick Place North Levels 1 & 3, vehicles should proceed north out of the Marshalling Yard on Moe Drive to the stop sign. This is the Frontage Road, West of Lakeshore Drive. Follow N1 & N3 directional signs. A traffic coordinator will then direct all vehicles to the proper loading/unloading area.

VEHICLE TRAFFIC TO SOUTH & WEST BUILDING LEVEL 3 DOCKS

For McCormick Place South & West Level 3 Docks: From the marshalling area at 31st Street and Lake Shore Drive, take Moe Drive north. This is the Frontage Road, West of Lake Shore Drive. Follow S3 & W3 directional signs.

PLEASE GIVE YOUR CARRIER THESE DIRECTIONS

TRUCK scale locations

TRUCK TRAFFIC TO LAKESIDE CENTER LEVEL 2 & LEVEL 3 DOCKS

To reach the Lakeside Center (East Building) trucks will leave the Marshalling Yard and travel over the 31st Street Overpass to Fort Dearborn Drive.

FOR LEVEL 2 EAST: Trucks will proceed north on Fort Dearborn Drive and continue through the vehicular tunnel to the north end of the building, turning east on inside roadway. Dock facilities are on the north end. To exit, continue through tunnel south out of the building to East Drive and then south on Fort Dearborn.

FOR LEVEL 3 EAST: Trucks will proceed north on Fort Dearborn Drive. They will then STOP at designated *truck holding line*, and a traffic coordinator will direct your vehicle from there.

TRUCK TRAFFIC TO NORTH BUILDING LEVEL 1 & LEVEL 3 DOCKS

For McCormick Place North Levels 1,2 & 3, trucks should proceed north out of the Marshalling Yard on Moe Drive, to the stop sign. A traffic coordinator will then direct all vehicles to the proper loading/unloading area.

FOR LEVEL 1 NORTH: Trucks will continue north on Moe Drive. To exit, trucks will proceed south on Moe Drive to 31st Street.

FOR LEVEL 3 NORTH: Trucks will travel up ramp to Level 3 dock area. To exit, trucks will exit down the ramp and proceed south on Moe Drive to 31st Street.

TRUCK TRAFFIC TO SOUTH & WEST BUILDING LEVEL 3 DOCKS

For McCormick Place South Level 3 docks, trucks should proceed north out of the Marshalling Yard on Moe Drive, to the stop sign. A traffic coordinator will then direct drivers west on the South Hall Truck Access Drive and up the ramp to the proper dock.

To exit, trucks are to proceed down the ramp from the Level 3 docks; turn right on the South Hall Truck Access Drive and left (south) on Moe Drive.

Note: Oversized loads will receive special instructions upon checking into the Marshalling Yard.

For West Level 3 Docks from the marshalling area at 31st St. and Lake Shore Drive, take Moe Drive North. This is the Frontage Road, West of Lake Shore Drive. Follow S3 and W3 directional signs.
