

2019 DEREK HARWOOD-NASH INTERNATIONAL FELLOWSHIP APPLICATION

ELIGIBLE APPLICANTS must have completed their formal radiology training (MD or equivalent) and have held a faculty position in an academic institution for no less than 3 and no more than 10 years.

Please email your completed application as well as the required documentation listed below to *CIRE@rsna.org*. Signed documents may also be sent via email. Alternatively, application materials may be sent via mail to the address noted on page 2 to arrive by the July 1, 2018 application deadline.

- 1. A copy of your curriculum vitae.
- 2. A letter from your home institution that describes what institutional needs will be met by study in North America.
- 3. A letter from the national radiologic society of your country confirming current membership and/or attendance at its meeting in the past two years.
- 4. Proof of proficiency in English (a TOEFL or equivalent test score taken within the last two years). For applicants of countries where English is an official language, no TOEFL test is required, but the letter from your home institution must attest to your verbal fluency in English.
- 5. A documented list of academic productivity, research, and involvement in trainee education.
- 6. An additional letter of reference (optional).

DEADLINE: JULY 1, 2018 PLEASE TYPE OR PRINT. IF COMPLETING THIS ELECTRONICALLY, USE ADOBE READER, AVAILABLE FREE ONLINE. 1. Personal Information: First Name Middle Last Name (Family Name) Degree: MD, PhD, Other ☐ Male ☐ Female Birthdate (Month/Day/Year) 2. Primary Contact Information: Address State or Province City ZIP/Postal Code Country Preferred Phone Preferred Email 3. Professional Information: Name of Home Institution Number of Beds Number of Radiology Residents Board Certification (Month/Day/Year) Fax Number What is your area of special interest in radiology? How Long Have You Held a Faculty Position in a Teaching Hospital? (Years / Months) Briefly Describe Your Responsibilities at Your Teaching Institution: List the Medical Societies to Which You Belong 4. Department Director Contact Information: Director Name Address City State or Province ZIP/Postal Code Country Phone Fax Number

5. Educational History:	
	/
Name of Medical School	(Month/Year)
Location of Residency Training	(Month/Year)
Location of Additional Training	(Month/Year)
6. Language Fluency:	
Languages I Speak	
Languages I Read	
Languages I Write	
7. Host Institutions: List, in order of priority, the institutions where you would like to complete your course of study. (See en	closed list of available institutions.)
1st Preference	
2nd Preference	
3rd Preference	
8. Fellowship Course of Study: Proposed start and end date in 2019. This is subject to the availability of the host institution.	
Begin Date (Month/Day/Year) Completion Date (Month/Day/Year)	
9. Personal Statement:	

Below, please type a 400-word personal statement below that describes:

- Specific educational needs and objectives that can be met only by a course of study in North America
- Specific plans for using the knowledge and experience gained to benefit and improve the practice of radiology in your home institution and radiologic community

For further information, please contact CIRE@rsna.org

This form is available online at: **RSNA.org/DHN**

The application will not be considered complete unless the application form and all supporting documents are received by July 1, 2018 in one of the following formats:

O PDF attachments, emailed to: CIRE@rsna.org

O Hard copies, mailed to:

Radiological Society of North America Department of International Affairs 820 Jorie Blvd Oak Brook, IL 60523 USA

HOST INSTITUTIONS AND SPECIALTY AREAS DEREK HARWOOD-NASH INTERNATIONAL FELLOWSHIP

INSTITUTION	SPECIALTY
Brigham & Women's Hospital Boston, Massachusetts	Abdominal Imaging, Neuroradiology, Oncoradiology, MSK Imaging, Mammography
Brown University/Rhode Island Hospital Providence, Rhode Island	Pediatric Imaging, Body Imaging, Vascular & Interventional Radiology, Ultrasound, Thermal Oblation Services, Emergency Radiology, Nuclear Medicine
Case Western Reserve University & University Hospitals Case Medical Center Cleveland, Ohio	Abdominal Imaging, Thoracic Imaging, Nuclear Medicine, Mammography, MRI, Neuroradiology, Pediatric Imaging, Angio-International Radiology, Musculoskeletal Radiology
Children's Hospital Boston, Massachusetts	Pediatric Neuroradiology, Pediatric Head & Neck Radiology, All Pediatric Specialties
Children's Hospital of Philadelphia Philadelphia, Pennsylvania	Pediatric Neuroradiology, Pediatric Thoracic and Abdominal Imaging, Pediatric Musculoskeletal Imaging, Pediatric Interventional Radiology
Children's National Medical Center Washington, D.C.	Pediatric Radiology, Pediatric Ultrasound, Fetal Imaging, Pediatric Nuclear Medicine, Pediatric CT / MRI
Columbia University Medical Center New York, New York	Functional MRI, Neuroradiology, Pediatric Radiology, Nuclear Medicine / PET
Duke University Medical Center Durham, North Carolina	Cardiothoracic Imaging
Hahnemann University Hospital Philadelphia, Pennsylvania	Neuroradiology, Ultrasound, Cross-Sectional Imaging
George Washington University Medical Center Washington, D.C.	Pediatric Imaging
Georgia Health Sciences University Augusta, Georgia	Neuroradiology
Indiana University School of Medicine Indianapolis, Indiana	Abdominal Imaging, Neuroradiology, Breast Imaging, Nuclear Medicine, Pediatric Radiology
Johns Hopkins Hospital and University Baltimore, Maryland	Pediatric Neuroradiology, High-end Pediatric MR Imaging, Pediatric Uroradiology, Pediatric Ultrasonography
Lahey Clinic Burlington, Massachusetts	Magnetic Resonance Imaging, Mammography, Nuclear Medicine & PET, Body Imaging
Louisiana State University HSC Shreveport, Louisiana	Interventional (non-vascular), Neuroradiology, Nuclear Medicine, Cross-Sectional Imaging
Mallinckrodt Institute of Radiology St. Louis, Missouri	Interventional Radiology
Mayo Clinic Rochester, Minnesota	Abdominal Imaging, Neuroradiology, Vascular Interventional Radiology, Nuclear Medicine, Thoracic Radiology
Memorial Sloan Kettering Cancer Center	Breast Imaging
Mount Sinai School of Medicine New York, New York	ENT Radiology, Hepatobiliary Disease, Liver Cancer – Chemoembolization, ttrium 90, Radiofrequency Ablations Mammography/Breas Imaging, Neuroradiology, Pediatric Radiology/Ultrasound, Vascular and Interventional Radiology
Nationwide Children's Hospital Columbus, Ohio	Pediatric Radiology, Pediatric Interventional, Pediatric Ultrasound, Pediatric MR & CT, Pediatric Oncologic Imaging
Oregon Health and Science University Portland, Oregon	Radiation Oncology
Thomas Jefferson University Hospital Philadelphia, Pennsylvania	Diagnostic Ultrasound, MRI, MSK Radiology
University of California, Irvine Irvine, California	Emergency Radiology, Cardiovascular and Thoracic Radiology
University of Florida Gainesville, Florida	Cardiac Imaging
University of Maryland Medical Center Baltimore, Maryland	Thoracic & Cardiac Radiology, Trauma, Nuclear Medicine PET-CT, MSK, Abdominal
