Bring AUC to the physician desktop

We are the only QCDSM that will minimize interruption to the clinical workflow by bringing real-time evidence-based AUC information to the physician's desktop, right at the point of care.

- ✓ Complete the imaging order accurately in a few steps
- ✓ Interact with an intuitive user interface
- ✓ Engage through collaborative workflows

Take a step forward towards AUC compliance with our robust system.

Let's talk.

phone.

For information on First Aid and Health Clinics and
COVID-19 testing locations, see pages 8-9.

WELCOME TO RSNA 2021

I am delighted to join you again in Chicago as we “Redefine Radiology.” Now that we can again meet safely in person, I believe we all are excited to take in everything that RSNA 2021 has to offer.

Like so many aspects of our lives today, planning for RSNA 2021 was much different from past meetings. While RSNA always prioritizes the health and safety of our attendees, the protocols we’ve instituted this year are more extensive, including the institution of vaccination and masking requirements.

We have an amazing program in place for you to learn about new research and innovations in medical imaging, to refresh your skills with a multitude of educational sessions, and to network with your colleagues.

I encourage you to attend the plenary sessions beginning on Sunday afternoon with my President’s Address, immediately followed by patient experience expert and author, James Merlino, MD. Additional thought-provoking talks by leaders including James Brink, MD, Michele Johnson, MD, Christine Porath, PhD, and Iris Gibbs, MD, will be featured throughout the week.

From its diverse lineup of presenters, faculty and awardees to a program brimming with DEI-focused sessions, courses and exhibits, RSNA 2021 highlights the key diversity and health equity issues affecting our profession and offers expert guidance and tools to put into practice.

The popular Fast 5 Session features five speakers taking five minutes each to present creative ideas and emerging possibilities. The innovative, non-clinical topics were selected by popular vote.

In the Technical Exhibit Halls, you can experience all the innovative products and services offered by nearly 500 exhibitors. Peruse the exhibits onsite and visit our virtual exhibitors online to learn about exciting new solutions available for your practice. Don't miss the Imaging AI in Practice demo to learn how AI can be embedded into the diagnostic radiology workflow. The expansive AI Showcase also features industry programming and the 2021 AI Challenge winners.

It has been an honor to serve as your president this year and I look forward to seeing you around the halls of McCormick Place!

Mary C. Mahoney, MD
RSNA President

HOW TO NAVIGATE THE MEETING

Make the most of your RSNA 2021 visit using the Meeting Guide and these additional resources:

Meeting Central

Visit Meeting.RSNA.org to login to Meeting Central.

This mobile-optimized site provides instant access to programming using a range of devices including tablets and smart phones (iOS/Android). Meeting Central is the place to go to plan your meeting experience, view the daily schedule, browse sessions and industry presentations, search for exhibitors and see what's happening in the AI Showcase. You can build a personalized agenda and network with peers and exhibitors.

Helpful Tip: While you're browsing meeting programming, "favorite" interesting speakers, sessions and events to save them and explore later.

Meeting Central is also the place where attendees who registered for our Virtual Meeting can go to access meeting content online via livestream and on-demand with 100% of eligible meeting programming available through April 30, 2022. The Virtual Meeting lets you take the meeting with you, by giving you the best opportunity to make sure you don't miss a thing.

Virtual Exhibition

All RSNA 2021 registrants have access to the complete Virtual Exhibition through Meeting Central. This virtual platform has more ways to find what you're looking for with advanced search capabilities that let you search by product category, company name, exhibit pavilion location and more.

Technical Exhibits Guide

The Technical Exhibits Guide is a handy reference for navigating the RSNA 2021 technical exhibits. The guide includes a comprehensive floor plan of our exhibition halls with a listing of vendors and booth numbers. There, you'll also find descriptions of various showcases like the AI Showcase and 3D Printing and Mixed Reality Showcase and industry presentations.

Refer to the guide for information on the RSNA 2021 Virtual Exhibition and a list of dedicated virtual exhibitors with information on how to use the My Show Planner on Meeting Central to create a must-see list of companies and products.

You can find your copy of the Technical Exhibits Guide at the entrances of the North and South Exhibit Halls.

Daily Bulletin

Stay informed about all RSNA 2021 news and events with the print and online versions of the *Daily Bulletin*, the official newspaper of the RSNA annual meeting. Daily issues are available throughout McCormick Place and offer featured news from the meeting and must-see events and opportunities. Look for the digital *Daily Bulletin* online at [RSNA.org/Bulletin](https://rsna.org/Bulletin) where you will find exclusive online content, get an early look at articles ahead of print, view videos and participate in interactive quizzes and polls.

Get alerts on *Daily Bulletin* stories through social media at #RSNA21, on Facebook ([Facebook.com/RSNAfans](https://www.facebook.com/RSNAfans)), Instagram ([@RSNAGram](https://www.instagram.com/RSNAGram)) or Twitter ([@RSNA](https://twitter.com/RSNA)).

Interpreting Room Numbers

- The first letter in the meeting room number—N, S, E, W—stands for the North, South, East (also called Lakeside Center East) or West Building.
- The first digit of the meeting room number—1, 2, 3, 4, 5—is the building level number.
- The last two digits specify the exact room number.
- Some meeting rooms have divider walls, which create smaller spaces. These will have an A, B, C or D following the room number.

Example: N227 = North Building, Level 2, Room 27

NEW THIS YEAR

SPECIAL ANNOUNCEMENT COVID-19 HEALTH & SAFETY PROTOCOLS

YOUR SAFETY IS OUR PRIORITY

RSNA is partnering with the Chicago Department of Public Health to provide a safe meeting and trusts that all participants will help support this effort. We require proof of full vaccination from all meeting attendees, RSNA staff, labor and exhibitor personnel prior to the meeting or upon admittance to McCormick Place.

Face masks are required in all public indoor spaces, including RSNA-provided shuttle buses, Metra trains, rideshares, etc., regardless of the status of mask mandates outside of RSNA 2021. Masks must fully cover your nose, mouth and chin. Disposable or cloth masks are recommended. Gaiter face masks and bandanas are not allowed.

Hand sanitizer will be available throughout the building and in every exhibit booth for your convenience. If you are feeling unwell or are experiencing COVID-19 symptoms, please do not come to McCormick Place. Thank you in advance for caring for yourself and others around you.

Vaccination Validation

RSNA 2021 participants were advised to complete vaccination validation via

one of two options: the CLEAR app (for those who received their vaccine within the United States please use Health Pass by CLEAR) or the Safe Expo web portal (for those who received their vaccine outside of the United States). For those who did not complete validation in advance, validation was conducted onsite before badge pick up.

Onsite COVID-19 Testing

North Building, Level 1, Room N140

HOURS OF OPERATION

Sunday–Thursday 8 AM–5 PM

Safe Expo is providing onsite COVID-19 testing, for a fee, via walk-in or by appointment at McCormick Place.

Rapid antigen tests are available for \$50/test.

Rapid molecular tests are available for \$150/test.

For additional information, or to schedule a testing appointment visit [RSNA.org/COVID-Testing](https://rsna.org/COVID-Testing).

Additional Testing Locations

Explore the selection of COVID-19 testing sites near downtown at ChooseChicago.com/covid-19-testing/.

Commitment to Cleanliness

McCormick Place has adopted stringent cleaning protocols using the most effective cleaning disinfectants available along with processes for managing foot traffic, increasing touch-free doors and sanitizing stations. In between sessions, we have scheduled 30-minute breaks to allow for sanitization.

To ensure the highest possible air quality, building engineers regularly verify compliance with the American Society of Heating, Refrigerating and Air-Conditioning Engineers (ASHRAE) standards, including increased frequency of filter replacement.

First Aid (Non-Emergencies)

Fully equipped first aid stations are staffed by licensed medical professionals and located throughout McCormick Place:

North and South Buildings

Grand Concourse—Level 2.5

Lakeside Center East

Level 1

For all emergencies—fire, police and medical—dial 1-312-791-6060 or 6060 from any house phone.

After notifying emergency personnel, notify RSNA security at 1-312-791-6640 or 6640 from any house phone.

Health Clinics

Health clinics are located throughout Chicago with many locations near McCormick Place and downtown. Go to Walgreens.com or CVS.com for more information and clinic locations.

EDUCATION

RSNA's high-quality education keeps radiologists informed, engaged and inspired. Whatever your subspecialty—from breast imaging and cardiac radiology to neuroradiology and nuclear medicine—you'll find a wide selection of world-class education to fit your needs.

Continuing Education Information

For physicians:

This activity is available for *AMA PRA Category 1 Credits™*.

- Educational Courses and Science Sessions
- Scientific Poster Discussions
- Correctly diagnosing each Case of the Day

For physicists:

- The Commission on Accreditation of Medical Physics Education Programs (CAMPEP) has approved the direct transfer of *AMA PRA Category 1 Credits™* to MPCEC on a credit-for-credit basis for medical physicists.

For radiology technologists:

- The RSNA 2021 program was approved by the American Society of Radiologic Technologists, an ARRT®-approved Recognized Continuing Education Evaluation Mechanism Plus (RCEEM+), for appropriate ARRT Category A+ credit.

For international attendees:

CME credits may be transferable. See below for details.

- Australia and New Zealand: RSNA is an authorized CPD provider.
- Canada: *AMA PRA Category 1 Credits™* can be converted to Royal College MOC credits.
- Mexico: All *AMA PRA Category 1 Credits™* are transferable.

Europe

Due to an agreement of mutual recognition, the UEMS-European Accreditation Council will convert *AMA PRA Category 1 Credits™* to EACCME European CME Credits (ECMECs). For more information, contact the European Union of Medical Specialists (UEMS) at info@uems.net or visit UEMS.net or EACCME.eu.

Worldwide

CME claimed at RSNA 2021 may be transferable. Contact the CME governing body in your home country for details.

Claiming Credit at RSNA 2021

Continuing Medical Education (CME) Documentation

During the week of the live meeting, sessions viewed virtually and sessions into which in-person attendees scan will be automatically added to their attendance record within 24 hours after the session. Visit *Meeting.RSNA.org* to access the credit claiming site to search, select and evaluate your own sessions and to adjust the time spent in each session.

Transcripts may only be adjusted until April 30, 2022, when virtual access ends. Attendees will maintain access to the credit claiming site through April 30, 2023, in order to print their certificate and/or record of attendance.

Staff will be on hand at our Information Desks to assist with claiming credit. Please visit *Meeting.RSNA.org* for additional details.

Continuing Education (CE) Documentation (ARRT)

In order to record and obtain Category A+ continuing education (CE) credits, all ARRT-registered radiologic technologists and radiologist assistants must follow ARRT guidelines. Failure to do so will result in no credits being awarded.

- ARRT requires that all registrants seeking Category A+ credit must be present and attentive for 50 minutes of every scheduled hour of a live CE activity. If you arrive late, leave early or slip out of the meeting room for a break, that time is deducted from your attendance.
- ARRT registrants will be required to scan their badge in and out of each educational session. Registrants will not receive ARRT credit for the session if they do not scan their badge in and out of the session.
- Sessions will be automatically added to their attendee record within 24 hours of the event.
- Partial credit is not available to ARRT attendees.
- In addition to ARRT requirements, you must evaluate your RSNA 2021 courses online at *Meeting.RSNA.org*.
- In mid-December, RSNA will email certificates to ARRT-registered radiologic technologists and radiologist assistants who requested a certificate during registration and followed these ARRT guidelines.

Staff is on hand at the Information Desks to assist with claiming credit. Visit Meeting.RSNA.org for additional details.

Accreditation Statement

The Radiological Society of North America (RSNA®) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Course Admittance

Adding courses to your agenda will not reserve your seat. Seating is available on a first-come, first-served basis; no physical tickets will be issued. Present your badge at the door and it will be scanned for admittance.

Exhibitors are allowed access to classrooms, if space permits, after all professional registrants have been seated. CME credit is not tracked or awarded for exhibitors. Exhibitor personnel wishing to obtain CME/CE credit must register as a full conference professional attendee and pay the applicable registration fee.

To uphold the professional and educational standards of the RSNA annual meeting, children under 16 years of age are not permitted in the exhibit halls or sessions and will not receive a badge.

AI Education Opportunities

AI Showcase

Technical Exhibits, South Hall A, Level 3, starting at Booth 4129

Visit the central hub for all things related to AI and the premier place for educators, researchers, health care professionals and exhibitors to experience the latest in AI and machine learning in radiology.

RSNA AI Theater

Booth 5147

Explore the hottest topics in AI, machine learning and deep learning in the RSNA AI Theater. It's home to a variety of engaging industry presentations and some of the many AI-related resources and educational materials RSNA provides. For complete details, visit Meeting.RSNA.org

Imaging AI in Practice Demonstration

Experience multi-vendor interoperability demos highlighting new technologies and communication standards related to integrating AI into the diagnostic radiology workflow.

RSNA AI Deep Learning Lab

Located in the Learning Center, the RSNA AI Deep Learning Lab features 14 unique sessions developed by RSNA members covering a range of AI topics and skill levels including several beginner-friendly options. For complete details, visit Meeting.RSNA.org

Fast 5 Session

Arie Crown Theater

Monday, November 29 3 PM

The Fast 5 Session is an engaging, fast-paced opportunity to share new ideas as five speakers each make a five-minute presentation. The session is focused on innovative, non-clinical topics illuminating tomorrow's medical imaging discoveries. For more information about our RSNA 2021 Fast 5 topics, visit Meeting.RSNA.org.

Non-RSNA CME Symposiums

Sunday, November 28 to Wednesday, December 1

Attend educational programming supported by industry leaders at McCormick Place during the annual meeting. Please refer to course descriptions in the online program at Meeting.RSNA.org to find information about these third-party events.

SESSION OVERFLOW AREAS

RSNA will provide additional areas to accommodate live broadcast viewing of select popular courses when rooms have reached capacity. Session overflow areas will be offered in the:

- Arie Crown Lobby, Lakeside Center East—Level 2
- South Building—Level 4

Search by exhibitor name or type, product categories or exhibit area, and use our interactive floor plans to quickly locate exhibitor booths.

New this Year! – My Show Planner

All RSNA 2021 attendees can access a handy new tool to help optimize searching and networking online. Use My Show Planner to create an agenda and find and save

exhibitors, products, exhibitor collateral, industry sessions and exhibitor contacts. Use it to plan and to easily find and save meeting content that you can access through April 30, 2022.

All RSNA 2021 attendees also have access to our Virtual Exhibition and virtual industry presentations.

RSNA 2021 Technical Exhibits Guide

There's a lot to see and do at the annual meeting—we made it easy to help you plan with convenient resources like our Technical Exhibits Guide detailing all the exciting events and opportunities available in our technical exhibit spaces. This handy guide is home to:

- Specialty showcase and presentation schedules
- Helpful descriptions of specialized exhibit areas
- A complete listing of our exhibitors
- Convenient, color-coded floor plans of the North and South Exhibit halls
- Corporate Symposiums and Vendor Workshops
- Plus, important information about making the most of our Virtual Exhibition platform.

The Technical Exhibits Guide is available at the entrance of the North and South Exhibit halls. Be sure to grab your copy!

AI Showcase

South Hall A, Level 3, starting at Booth 4129

Sponsored by

Don't miss the chance to explore this exciting hub for AI innovation. Experience the latest in medical imaging AI and connect with experts from nearly 100 companies delivering next-level AI software, product demonstrations and solutions. Rethink possibilities as you engage with exhibitors and participate in hands-on learning, networking and special engagement areas in this newly relocated annual meeting destination. Be sure to take a selfie at our photo op stop.

RSNA AI Theater

Stop by the RSNA AI Theater for daily industry presentations from 42 companies highlighting the innovations fueling the future of AI. Presentations run from 10:30 AM to 3:45 PM, Sunday through Wednesday. Don't miss other special AI events happening on select days from 4-5 PM.

For the most up-to-date information about all AI Theater presentations, visit *Meeting.RSNA.org*.

Imaging AI in Practice Demonstration, Booth 4529

Visit our Imaging AI in Practice booth, and meet with the best and brightest in AI as they demonstrate new tools and practice enhancements enabled by AI in real-world clinical scenarios. These 30-minute, multi-vendor interoperability demonstrations showcase the practice of the future with new technologies and communication standards needed to integrate AI into the diagnostic radiology workflow.

AI Challenge

Join us as we recognize top contenders from our 2021 AI challenges during an event in the AI Theater on Monday, November 29 at 4 PM.

See the winning entries from the **COVID-19 AI Detection Challenge** co-hosted by RSNA, the Society for Imaging Informatics in Medicine (SIIM) and the Foundation for the Promotion of Health and Biomedical Research of Valencia Region (FISABIO). Winners were selected in September, and monetary prizes were awarded for the top six entries with the first-place winner receiving \$15,000.

And, find out who will take the top spot in the 10th annual **Brain Tumor Segmentation (BraTS) Challenge** presented by RSNA, the American Society of Neuroradiology (ASNR) and the Medical Image Computing and Computer Assisted Interventions (MICCAI) Society. Prizes will be awarded to the top eight entries, and the first-place winner will receive \$6,000.

Industry Presentations

Corporate Symposiums

Check out these one-hour education sessions presented by RSNA exhibitors and sponsors throughout the week. Morning sessions are held between 8 AM and noon, and afternoon sessions are held from 1 PM to 4 PM. You can also view select symposiums via livestream on the virtual platform or on demand through April 30, 2022.

Join us for 15-minute live presentations of the latest imaging innovations from exhibiting companies. Presentations will take place in this open-air theater Monday and Tuesday from 10:30 AM to 3:45 PM. For additional details, see the Exhibitor List at Meeting.RSNA.org.

Lunch & Learns

Participate in midday panel discussions, demonstrations and lectures with company leaders and medical professionals. Lunch & Learn sessions are held in-person, and all are available on demand through April 30, 2022.

3D Printing & Mixed Reality Showcase

Technical Exhibits, North Hall B, starting at Booth 8100

Interact with the latest 3D medical printing and augmented and virtual reality technologies in this focused exhibit area. Connect with experts specializing in these fields and get a look at the future of these emerging areas within radiology.

First-Time Exhibitor Pavilion

Technical Exhibits, South Hall A, starting at Booth 4100

We are welcoming over 20 new exhibitors to the RSNA 2021 First-Time Exhibitor Pavilion. Meet these annual meeting newcomers and see what they have to offer.

The First-Time Exhibitor logo identifies other first-time exhibitors located throughout the exhibit halls.

Educators Row

Technical Exhibits, South Hall A, starting at Booth 1000

Connect with representatives from educational institutions and leading medical associations from around the world. Shop for educational publications and professional services addressing virtually every aspect of medical imaging. Meet with RSNA publications staff who are available to answer questions about any of RSNA's peer-reviewed journals.

Recruiters Row

Technical Exhibits, South Hall A, starting at Booth 1118

Connect with organizations offering career opportunities and meet with prospective employers who are on hand during the annual meeting.

NEW! While you're visiting Recruiters Row, stop by the RSNA Professional Portrait Studio at Booth 1118 to update your professional headshot.

Vendor Workshops

North Hall, Level 3

Get first-hand experience on an exhibiting company's proprietary systems by attending user training and product instruction in a classroom space. Vendor workshops are not offered for CME credit and are available only in-person. Check our meeting program online for a complete listing of available workshops at Meeting.RSNA.org.

Virtual Exhibition

There's plenty of opportunity to see everything you want to see from the RSNA 2021 technical exhibits. All industry programming and the complete exhibitor list are available to all attendees (both in-person and virtual) on-demand through April 30, 2022.

In-Person and Virtual Presentations

Access livestreamed presentations from most of our in-person Corporate Symposiums and Lunch & Learns with audio and video recordings available on demand after the presentation. And, don't miss the chance to catch-up with slideshows and audio recordings from all

presentations in the AI Theater. Recordings will be available within 12 to 24 hours after each presentation.

Go to *Meeting.RSNA.org* for the latest information on all RSNA 2021 industry presentations.

Hybrid and Virtual-Only Industry Programming

We are pleased to offer several hybrid and virtual-only presentations and booths from select companies who are ready to engage with attendees through our virtual meeting platform. Refer to our Industry Program at *Meeting.RSNA.org* for a listing of these companies and events.

Virtual Meeting Interactive Demos and Group Chat

This year's virtual meeting platform includes interactive demo and group chat features you can use to discover products and services, make valuable connections, and network with and learn more about our exhibitors participating in-person/virtual (hybrid) and virtually only.

Use the live chat feature on My Show Planner to connect and speak one-on-one with virtual exhibitors. View, sort and filter contacts, receive message notifications and save and view chat history for future access. Use it to plan and to easily find and save meeting content that you can access through April 30, 2022.

NEW! Virtual Exhibitor Lounge

South Hall A, Booth 4112

Make your way to this unique lounge to enjoy comfortable seating and recharge your devices while you relax and engage with exhibitors who were unable to travel to Chicago. You'll find virtual exhibitor information and QR codes that will quickly take you to their online listings so you can learn more about their products and services and connect with them virtually.

Grand Concourse

The Grand Concourse is a central hub linking the North and South Technical Exhibits Halls and connecting you to Lakeside Center East via the Sky Bridge. Several important meeting amenities can be found in this area including our Information, Fun Run and Metra desks as well as our First Aid station, the Business Center, Lost & Found, Internet and Charging Stations and entertainment. Be sure to take a photo in front of the giant RSNA letters—a fun way to memorialize your visit! For a complete list of what is included in this area, see the McCormick Place Campus Map on page 43.

Entertainment in the Grand Concourse

Kent Arnsbarger

Sunday 10–11 AM

Escape the winter chill here on the “third coast” with the upbeat, Caribbean sound of steel drums. Enjoy island music? Hear it again near the South Technical Exhibits Hall, 11:30 AM–12:30 PM, and in the Connections Center, 1–2 PM.

Acoustic Artist: Jim Perona

Monday 10–11 AM

Relax in the Grand Concourse near Starbucks and enjoy a soothing acoustic guitar repertoire spanning more than 500 years and including hits from the past. Additional performances will take place near the Technical Exhibits South Hall, 11:30 AM–12:30 PM, and in the Connections Center, 1–2 PM.

Harpist: Zacbe Pichardo

Tuesday 10 AM–11:30 AM

Experience soothing harp music from this Grammy- and Latin Grammy-nominated musician and composer. A selection of traditional Mexican and orchestral music will brighten your spirits and leave you feeling uplifted. Hear it again near the Technical Exhibits South Hall, 11:45 AM–1 PM.

Trio: Guitarra Azul

Wednesday 10–11 AM and 2–3 PM

This trio of local artists features two guitarists and a percussionist who bring mystery and intensity to the

Grand Concourse with a mix of flamenco and Latin jazz. Unwind with a cup of coffee or a bite to eat and enjoy the show.

For Trainees

McCORMICK PLACE DIRECTORY & MAPS

McCormick Place Parking

There are two main parking lots at McCormick Place. They are in close proximity, within walking distance and ADA accessible. McCormick Place parking garages do not offer in-and-out privileges.

For parking at the North and South Buildings, use Lot A, also known as Martin Luther King Self Park/MLK, located at 2301 S. Prairie Ave. Lot A is automated and open 24/7. The parking rate is \$25 for up to 16 hours and \$38 from 16–24 hours.

For parking at the Lakeside Center East, use Lot C, also known as Lakeside Garage, located on Fort Dearborn Dr. The parking rate is \$25/day.

Overnight Parking

Overnight parking is only available in Lot A.

Pre-Paid Parking

A limited number of prepaid guaranteed parking spaces are available at McCormick Place for \$38 per day by advance order of an Attendee Parking Permit. This permit allows access to the garages with in-and-out privileges.

Parking spaces are guaranteed even if lots fill to capacity. To reserve a prepaid parking space, visit McCormickPlace.clickandpark.com.

ADDITIONAL TRANSPORTATION OPTIONS

Taxi Service

Taxis are plentiful throughout the city of Chicago. Taxi service can cost approximately \$5 to \$30 per ride, plus tip, depending on distance. Taxis do not offer flat rates into the city. The average fare from the airport to the city is \$30 to \$60.

For wheelchair accessible vehicles, please call United Dispatch at 1-800-281-4466.

Rideshare

Shared ride providers like Uber, Lyft and Curb are popular modes of transportation throughout Chicago. Rideshare pick-up stations at McCormick Place are located at:

- [South Building: Gate 4.5](#)
- [Lakeside Center: Gate 38](#)

Public Transit

Chicago's rail system consists of train lines spanning the city and is known as the "L", short for "elevated" train. In many parts of the world, this system is also referred to as a "subway" or "metro."

The Cermak-McCormick Place Green Line station offers attendees an additional way to leave the McCormick Place campus with stops convenient for those staying in hotels south of the Chicago River. The Cermak-McCormick Place Green Line Station is located at 12 E. Cermak Rd. (between State St. and Wabash Ave.), two blocks northwest of the West Building, Gate 41.

MEETING SERVICES

Ribbon Pickup

Connections Center, Lakeside Center East—Level 3

Ribbons will be available for pick up during the annual meeting at the self-serve Ribbon Wall.

Room Numbers

For the most up-to-date session room numbers, access Meeting Central at *Meeting.RSNA.org* or visit an Information Desk in the Grand Concourse Lobby or Connections Center:

For more information on Meeting Central, see page 5.

Interpreting Room Numbers

- The first letter in the meeting room number—N, S, E, W—stands for the North, South, East (also called Lakeside Center East), or West Building.
- The first digit of the meeting room number—1, 2, 3, 4, 5—is the building level number.
- The last two digits specify the exact room number.
- Some meeting rooms have divider walls, creating smaller spaces. These will have an A, B, C, or D following the room number.

Example: N227 = North Building, Level 2, Room 27

RSNA Events Calendar

The RSNA Online Events Calendar (*RSNA.org/Calendar*) is available for non-profit associations and affiliates to post radiology-related events, course information and educational activities during the annual meeting. Printed or handwritten announcements will not be accepted. All submissions will be reviewed before posting; please allow 24 to 48 hours for approval.

RSNA 2021 Country Presents

This year for RSNA Country presents, we are highlighting Spain for its members' contributions in transforming radiologic health care as it advances and expands to meet the needs of today's patients. Attendees from Spain will be recognized with special badge ribbons available in the Connections Center.

Spain Presents: Why Do Spaniards Live So Long? Imaging of Longevity

Monday, November 29 8–9:30 AM

Join us for this series highlighting a variety of factors related to aging including those that may have contributed to Spaniards' ability to live so long. Learn about the radiologic subspecialties that are using imaging to research and understand the impact diet and lifestyle can have on health.

Accreditation Statement – International Attendees

The Radiological Society of North America (RSNA®) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

International attendees

CME credits may be transferable. See below for details.

- Australia and New Zealand: RSNA is an authorized CPD provider.
- Canada: *AMA PRA Category 1 Credits™* can be converted to Royal College MOC credits.
- Mexico: All *AMA PRA Category 1 Credits™* are transferable.

Europe

Due to an agreement of mutual recognition, the UEMS-European Accreditation Council will convert *AMA PRA Category 1 Credits™* to EACCME European CME Credits (ECMECs). For more information, contact the European Union of Medical Specialists (UEMS) at info@uems.net or visit UEMS.net or EACCME.eu.

RSNA® 2021
REDEFINING RADIOLOGY

Building a world that works.

High demand, resource shortages and health system complexity, among other factors, have resulted in a challenging environment for Radiology departments. Together, we can clear the path forward for greater imaging performance. Let's optimize department operations. Achieve fast, easy exam workflows that require fewer steps and less rework. And improve support for timely and precise clinical decisions.

Learn how we are
building a world that works.
