

Island Exhibits

The minimum island (formerly Freeform) booth size is 20' x 20' with four corners and rented in 10' increments. All island exhibits should have access from all four sides. To maximize the exhibit hall at McCormick Place, the east-west dimensions of any island exhibit space must be 20', 50', or 80' wide. RSNA may consider exceptions based on exhibit design elements, location and impact on surrounding exhibits. No part of any island exhibit may exceed a height of 24' from the floor of the exhibit hall.
