RSNA[®]

ANNUAL MEETING

Held in late fall, RSNA's annual meeting is the biggest week in radiology. RSNA 2024 sponsorship opportunities drive more traffic to your booth and increase the likelihood of meeting potential clients who are ready to purchase. Reach your goals with RSNA 2024 sponsorships.

80%

of attendees are looking for new or specific products or vendors

70%

of attendees play a role in purchasing

*Put your message front and center with attendees.
Capture their attention before RSNA 2024.*

RSNA 2024

Our flagship event, the RSNA annual meeting, brings together more than 20,000 professional attendees each year. Sponsorship helps you engage with attendees interested in your solutions.

PRE-MEETING OPPORTUNITIES

Registration Website Banners

Showcase your company with a banner on the RSNA 2024 website—where attendees must register for the meeting. Two positions available each month.

Starting at \$2,000/month

Registration Confirmation E-Blasts

Include your banner in the registration confirmation emails sent for an entire month.

Starting at \$7,500/month

Sponsored E-Blasts

Let RSNA send your customized HTML message to registered professional attendees before, during and after RSNA 2024 to increase your visibility at the meeting and stay top of mind.

Starting at \$15,000

Annual Meeting E-Blasts

Reach thousands of radiologists, hospital executives and leaders in imaging with your message before they register for RSNA 2024. You can connect with RSNA members and past attendees early by including your banner in e-blast communications leading up to the annual meeting, including the final “get ready” e-blast sent to registered attendees.

\$4,000/month

DIGITAL OPPORTUNITIES

All-Attendee Registration Confirmation E-Blast

Feature your digital banner in a final “get ready” e-blast to all pre-registered professional attendees that includes onsite logistical information including what to bring and where to pick up your badge. Every pre-registered attendee will see your company’s banner in this e-mail.

\$20,000

Daily Bulletin E-Blast Banner

Include your digital banner in one of six e-blasts sent daily to all attendees and active RSNA members during the annual meeting. These e-blasts provide attendees with the day’s top stories and a link to the full issue of the official RSNA 2024 newspaper. Three positions are available in each e-blast.

Starting at \$3,500

2024 Meeting Central Digital Banner

Prominently display your company’s branding on Meeting Central, the main annual meeting page that all attendees check as they navigate programming and technical exhibits at the annual meeting.

Starting at \$7,500

Exhibitor Listing Upgrades

Standard Listing

Upgrade your listing with your company logo, product images, and company materials. Receive metrics on the number of views and clicks your exhibitor listing page receives. Generate leads from Nov. 1, 2024–April 30, 2025.

\$1,000

Premium Listing

Includes Standard Listing upgrades, plus additional collateral and video panels.

\$1,500 (includes the Standard Listing upgrades)

Elite Listing

Draw attention to your business with additional product images and video panels. Includes online business cards, online exhibitor staff badges, placement in the Featured Exhibitor list on Exhibitor Directory home page, priority placement in the Exhibitor Directory and in keyword searches and a booth corner peel on floor plan.

\$2,000 (includes the Premium Listing upgrades)

\$3,500 for AI Showcase exhibitors

\$5,000 for all other exhibitors

Innovation Theater Presentation

Launch your new product or latest innovation with a live, rapid-fire, 15-minute presentation in an open-air theater in the RSNA exhibit halls.

\$3,000

Center Stage Presentation

Let your company's CEO or senior executive relay your compelling story of insight and inspiration from the Innovation Theater. Showcase your company's leadership in ESG, health equity and partnerships with NGOs. Each presentation is 45 minutes, and only one is available each day.

\$20,000

Vendor Workshop

Give potential or current customers first-hand experience of your systems by offering user training and product instruction in a Vendor Workshop. This unique classroom space is located on the exhibit floor, near all the excitement.

Starting at \$30,000

Third-party CME Symposium

Third-party CME providers may host an educational session supported by an unrestricted educational grant from a company related to medical imaging during the week of the RSNA annual meeting. The CME providers will work with RSNA to determine details for an in-person or virtual session.

Inquire for more details.

VIRTUAL PRESENTATION OPPORTUNITIES

Virtual Industry Presentations

Engage with attendees beyond the meeting with a panel discussion, networking event, virtual hands-on experience, product demonstration or lecture. Presentations may run for either 30 or 60 minutes inclusive of Q&A time and hosted on your company's platform. You may choose the desired format and livestream or prerecord the presentation. RSNA will provide a dedicated session page within Meeting Central.

\$7,500 for 30-Minute Presentation | \$15,000 for 60-Minute Presentation

RSNA Market Insights

Reliable and affordable radiology-centric business reports give you a better understanding of the field. Select from available reports or work with our team to develop customized research to meet your needs.

Inquire for more details.

Promote your brand to RSNA journal subscribers with placements in these five world-class, digital publications. Subscribers include radiologists, medical physicians, physicists and radiologic administrators, as well as teaching institutions, libraries and developers of radiologic equipment and technology. Promotional opportunities are available for all five journals.

Journal Website Banners

Imaging professionals look to RSNA journals for the latest in scientific discoveries and continuing education. These publication sites serve as the portal to the newest issues and can feature your company's messaging. Include your banner in one of only two positions available on each site.

▶ *RadioGraphics*

The only peer-reviewed journal devoted exclusively to continuing medical education in radiology and a top source for earning SA-CME credits.

▶ *Radiology*

The authoritative reference for the most current, clinically relevant and highest-quality research in radiology.

▶ *Radiology: Artificial Intelligence*

Highlights the emerging applications of machine learning and artificial intelligence in the field of imaging across multiple disciplines.

▶ *Radiology: Cardiothoracic Imaging*

Features research advances and technical developments in medical imaging that drive cardiothoracic medicine.

▶ *Radiology: Imaging Cancer*

The best clinical and translational cancer imaging studies across organ systems and modalities.

Starting at \$2,500 per month

Each journal sold separately. Availability differs for each journal.

E-Blast Promotions

RSNA sends regular e-blasts to an engaged audience of over 30,000 journal subscribers. Add your custom banner in issue preview emails or the Weekender e-blasts. Only one company banner will be included in each e-blast.

Starting at \$3,000 per issue

Podcast Sponsorship

Podcasts related to RSNA journals highlight experts discussing research and covering topics that are of high interest to RSNA's audience and are filled with essential information. Engage with this growing group of radiologists in one of the following ways:

▶ *Industry Focus Interview*

Collaborate with RSNA to determine the podcast interview topic and speakers. RSNA will provide the moderator to run the interview, and your company can provide up to two expert speakers to join a recorded discussion as thought leaders.

Sponsorship Fee: \$7,500

▶ *Single Episode Sponsor*

Include your message with a 30-second pre-roll and 15-second mid-roll promotion in a podcast. Only one company will be featured in each episode.

CORPORATE SUPPORT

Spark Innovation

The R&E Foundation's corporate supporters have donated more than \$25 million in support of its grants program. Supporting companies know that through their generosity, they are investing in the future growth of their industry—truly sparking innovation. Tomorrow's innovations will be the direct result of today's research. There is nothing more critical to the future of radiology than support for scientific inquiry.

Help safeguard the future of radiology. You can provide the spark investigators need to make major discoveries in the field by becoming a Vanguard Donor or becoming a member of the Leadership Circle.

Vanguard Program

The Foundation's Vanguard Program allows companies to support named grant awards that provide seed money for investigators working toward major discoveries critical to the advancement of radiologic research. A variety of grants and funding levels can be tailored to meet your giving preference. Vanguard Donor companies receive recognition for their generosity in a variety of ways throughout the year and at the annual meeting. Join the elite group of Vanguard Donor companies today.

Leadership Circle Program

The Leadership Circle Program provides an opportunity for companies to give to the Foundation on an annual, non-endowed basis. There are three levels of giving, each with specific donor benefits.

CHAMPION	ADVOCATE	BENEFACTOR
\$25,000	\$10,000	\$5,000

Companies in the Leadership Circle Program receive recognition for their generosity in a variety of ways throughout the year and at the annual meeting that increases with each level of giving.

For more information, contact Bob Leigh at 1-630-590-7760 or email rleigh@rsna.org.

RSNA Champion+ Package

Support the R&E Foundation at the Champion+ Level and secure high-value sponsorships that will give you exposure to RSNA members and donors throughout the year and at RSNA 2024. Sponsorship timing will be mutually agreed upon and includes recognition for RSNA activations at the annual meeting, banners in RSNA communications and promotions in RSNA journals. In addition to donor benefits and sponsorship, your company will be recognized as a Bronze Corporate Partner.

\$50,000

Ensure a Bright Future for Radiology

▶ Return on investment

For every \$1 awarded, recipients get \$60 from other sources

▶ 1,800+ grants awarded

83 individuals at 47 institutions funded this year alone

▶ Donation distribution

94% of every dollar you donate goes directly toward research and education that improves patient care

CORPORATE PARTNERS PROGRAM

RSNA values the industry partners that help keep radiology at the forefront of science and technology. To show our appreciation, the Corporate Partners Program honors partners at the annual meeting and throughout the year with benefits like logo recognition and acknowledgment in RSNA's prominent publications and resources.

Participation in any of these opportunities applies toward recognition which begins when spending totals \$50,000 or more:

- ▶ Meeting Sponsorships
- ▶ R&E Foundation Support
- ▶ Educational Webinars
- ▶ Thought Leadership
- ▶ Print and Digital Promotions
- ▶ Journal Subscriptions

Our Corporate Partners Program rewards your loyalty with opportunities to increase your visibility, earn Technical Exhibit Priority Points and maximize your ROI.

Earn Technical Exhibit Priority Points

Participation in any of the opportunities listed in this Sponsorship Kit also earns one (1) Technical Exhibits priority point for every \$1,000 spent. RSNA's Technical Exhibit Priority Point system recognizes a company's support of RSNA and rewards exhibitors for upholding meeting policies. The order of space selection is determined by an exhibitor's cumulative number of points. Visit [RSNA.org/Exhibitor-Resources](https://www.rsna.org/Exhibitor-Resources) for complete details.

Payments and contracts for RSNA 2024 must be received between Nov. 1, 2023, and Oct. 31, 2024, to receive Technical Exhibit Priority Points toward RSNA 2025 space selection and to receive recognition as a 2023–24 Corporate Partner (Nov. 1, 2024–Oct. 31, 2025).
