# **News Release Timing**

Going Against the Flow: The Best Time to Send Your Trade Show Press Release

START WITH GOALS

Determining the main goal you want your release to accomplish will help determine when to send it. Booth traffic = 1-2 weeks out OTHER BIG ANNOUNCMENTS

If a larger company is making an anticipated announcement — avoid sending your news in the hours leading up to and after it.

SEND MORE THAN 1 RELEASE

Sending more than one news release can help keep your company top of mind and create excitement to visit your booth at the show.

DEALING WITH HOLIDAYS

RSNA is unique in that it starts soon after a holiday. It's usually best to avoid sending your news Thanksgiving week (or at least Wed. Nov. 27) as some extend vacations. RSNA ATTENDEE BEHAVIORS

When we went to RSNA we learned that more INTL attendees came on Sunday and US attendees waited until Monday due to the holiday.
