

Island Booth Approval Form

Deadline: August 30, 2019

All island exhibitors must submit the completed Island Booth Approval Form and complete scale drawings to RSNA by August 30.

Penalty: Failure to submit the Island Booth Approval Form by August 30 may prohibit construction of exhibit during installation.

When submitting your booth scale drawings for RSNA 2019 the following information should be included:

- Top, side and front views
- Concept and construction renderings
- All dimensions (including heights and applicable setbacks)
- Supplemental lighting requests
- Designated areas within the booth (ie: presentation theater, food and beverage, meeting rooms)

Plans will be reviewed for general conformity to Rule 9D. See RSNA Rules and Regulations for complete set of Exhibit Design guidelines.

- For South and North Halls, level 3:
 - All island exhibits are permitted to have hanging signs and banners. These booth elements must be fixed and located within the confines of the booth. Hanging Signs or banners between contiguous exhibits will not be considered. Maximum height permitted for hanging signs and/or banners is 24' at top.
 - Height of structure (maximum height is 24' from floor to top of sign/structure)
- For AI Showcase, North Hall, level 1:
 - Hanging signs are not allowed.
 - Maximum height of booth cannot exceed 18' from floor to top of structure.
- Exhibit and/or display components exceeding 12' in height must be approved by a licensed structural engineer. A set of approved floor plans must be accessible during installation of the exhibit.
- All island exhibits should have access from all four sides.
- McCormick Place Facility Guidelines are available at www.mccormickplace.com

Special Request

Hanging Sign

☐ Yes ☐ No

Hanging signs must be in compliance with Rules & Regulations. All signs should be shipped to the Freeman warehouse by November 13, 2019 to ensure installation prior to your target move-in assignment.

Lighting (Booth size 1,000 sq. ft. or larger)

Yes No

- ☐ ☐ We request to use a Hanging Lighting System (must include diagram)
- ☐ ☐ We request to turn off House Lights above our booth.

Exhibitors are responsible for associated costs.

Two-Story/Multilevel Exhibits

Exhibits with a second level will be assessed a surcharge.

Yes No

- ☐ ☐ My exhibit includes a second level.

If yes and you have not paid your second level charge, please do so below.

Square feet of second level = _____

x \$17.50/sq. ft. (Preferred) or
\$26.25/sq. ft. (Standard)

Total \$ _____

Upon review and floorplan approval, the exhibiting company will be invoiced for the associated second-level rental fees.

I have read, understand and agree to the RSNA Rules and Regulations pertaining to booth design and construction.

Agreed to

Island Exhibits

The minimum island (formerly Freeform) booth size is 20' x 20' with four corners and rented in 10' increments. All island exhibits should have access from all four sides. To maximize the exhibit hall at McCormick Place, the east-west dimensions of any island exhibit space must be 20', 50', or 80' wide. RSNA may consider exceptions based on exhibit design elements, location and impact on surrounding exhibits. No part of any island exhibit may exceed a height of 24' from the floor of the exhibit hall.

In the AI Showcase, North Hall, level 1, no part of any island exhibit may exceed a height of 18' from the floor of the exhibit hall.

Setback Requirements

20' wide island:

- 1' setback from an aisle of the exhibit space
- Reception counters/information kiosks may not be closer than 2' from an aisle.

50' wide island:

- 2' setback from an aisle of the exhibit space
- Reception counters/information kiosks may not be closer than 3' from an aisle.

80' wide island:

- 3' setback from an aisle of the exhibit space
- Reception counters/information kiosks may not be closer than 4' from an aisle.

Exhibitors are required to provide floor coverings for all booths.
