Terms & Conditions

Name badges will not be mailed in advance

Attendees must pick up badges and meeting materials at designated registration areas throughout McCormick Place, or at designated hotel locations. A valid photo ID is required.

Your badge is equipped with beacon technology that eliminates the need to verify your attendance, simplifies the CME process and links you to Meeting Central for an enhanced meeting experience. Please Note: Although your badge also allows RSNA to gather data to improve future meetings, we will never share, rent or sell your personally identifiable information. To opt out of this technology, please visit any registration location.

Badge Classification

Badge classification is subject to RSNA approval and category or rate change. Registration categories 15, 18, and 23 require verification in order to be processed. These categories require a business card, a letter from hospital administration stating your role in radiology, a valid RT license or student ID copy. Upload during online registration or email rsnaverify@experient-inc.com. If verification qualifies you for a different registration category, the registration will automatically be reclassified and you will be charged the appropriate fee. Registration is subject to cancellation if verification is not provided within five business days after registration.

Spouse/Family Member Badge

Annual meeting professional registrants* are entitled to one complimentary spouse/family member badge; each additional badge is \$50. This badge is intended for use by a spouse or family member (16 and over) accompanying an annual meeting professional registrant to the meeting. It allows access to Technical Exhibit Halls, Learning Center and classrooms, space permitting, after all professional registrants have been seated. CME credit is not tracked or awarded. A co-worker or industry associate is not eligible for this badge and must register as a professional and pay the applicable registration fee. Spouse/Family member badge is subject to RSNA approval. To uphold professional and educational standards, children under 16 years of age are not permitted in the exhibit halls and will not be issued a badge.

**Excludes Virtual-only and Technical Exhibits-only package registrants.*
