

William R. Eyler Editorial Fellowship

820 Jorie Boulevard • Oak Brook, IL 60523 • (630) 571-7829 • Fax: (630) 571-7837

This application should be accompanied by:

Deadline: May 1st

- your curriculum vitae
- your personal statement (see bottom of this page)
- three letters of reference, one of which must be from your department chair and must include an indication that the chair agrees to let you be away from your department if you are selected as a fellow. If you are from outside North America, (1) the letter from your department chair must attest to your written and verbal fluency in English, and (2) one of the other two letters must be from the national radiologic society of your home country.
- there should be no more than a single applicant from any one department, and you should check with your administration before submitting your application

Please provide the following information:

Name _____ Date of birth _____

Name of Institution _____

Address _____

Institution phone _____ Home phone _____

Fax _____ E-mail _____

Please indicate your area of special interest in radiology: _____

If you have served as a reviewer for a journal, please indicate for which journal or journals: _____

Have you ever served as an associate editor? If yes, please indicate for which journal or journals.

Please give any other information you believe would assist the selection committee in evaluating your application:

Provide a 500-word personal statement.

This statement should include your objectives in radiology journalism, including for those from outside North America a specific plan on how the knowledge and experience gained from this fellowship would be used to improve radiologic scholarship in your home country.

**Please note that
your personal
statement is an
important part of
your application.**
