TIER INFORMATION
Tiers 1–4 apply to single site institutions only. Multi-site institutions fall under Tier 5 and require a licensed subscription.

Academic
1  Associate college (community, technical, further education (UK))
2  Baccalaureate or master’s level college/university and nursing, veterinary or dental school
3  Research university without affiliated medical school or patient care facilities
4* Medical school or university with a single medical school or medical center
5  • Academic consortia or research institute
   • Research university with multiple medical schools and/or medical centers or hospitals
   • Universities that share e-resources

*All medical schools within hospitals must use academic rates.

Hospital
1  1–400 beds
2  401–750 beds
3  751–1,000 beds
4  1,001+ beds
5  Hospital System

Public/Non-Profit
1  Community public library (small scale), general reference public library, non-profit administration office
5  Government agency and ministry, research institute, state or national public library

Corporate
5  • Corporate (including private practices and law firms)
   • Private Practice (including medical groups of participating doctors and medical professionals)

RSNA LICENSES
RSNA Licenses grant expanded user rights and are available to all subscribers. Tier 5 institutions are required to license RSNA content. To request a quote, please provide the following information to license@rsna.org:

Corporate, Government Agency, Private Practice, Research Institute, State or National Public Library:
   Number of relevant FTEs and total FTEs.
Consortia: Full name and address for each participating institution.
Hospital System: Address of each location and corresponding number of beds.

Prices are in effect from January 1, 2022 through December 31, 2022.
