RSNA® 2026
AT THE CENTER OF CARE

RSNA 2026 AI Theater Presentations

***All times are CT. Schedule subject to change.**

Nov 29, 10:30AM

IS1-AI101. AI Theater: Medical Image Insights View session

Nov 29, 11:00AM

IS2-AI102. Dicom Systems Unifier AI Conductor: The 30-Algorithm Stress Test: Is Your Enterprise Ready for AI at Scale? View session

Nov 29, 11:30AM

IS3-AI103. Intelligence Reimagined: From Multimodal Foundation Models to Embodied Medical Agents - presented by United Imaging View session

Nov 29, 12:00PM

IS4-AI104. The First Million Patients: How Rho, by 16 Bit, has become the most trusted and widely used opportunistic screening tool for low bone density View session

Nov 29, 12:30PM

IS5-AI105. From Concept to FDA Clearance. How to get a 510(k) or a De Novo for Radiology AI - presented by Innolitics, LLC View session

Nov 29, 1:00PM

IS6-AI106. From Data to Impact: Unlocking the power of the teamplay AI Assistant hosted by Siemens Healthineers View session

Nov 29, 1:30PM

IS7-AI107. AI Theater: Subtle Medical Inc View session

Nov 29, 2:00PM

IS8-AI108. The Right Data at the Right Time: A Holistic Experience of a Radiologist's Day - presented by Kailo Medical View session

Nov 29, 2:30PM

IS9-AI109. Brain New Life, Together: Heuron IPD Introduction View session

Nov 29, 3:30PM

IS11-AI111. Enterprise Medical Imaging at True Healthcare Scale: Connecting Billions of Images Across the Care Continuum - presented by Hyland Healthcare View session

Nov 30, 10:30AM

IM1-AI101. Clinical Superintelligence: The architecture of infinite medical capacity - presented by Eden View session

Nov 30, 11:00AM

IM2-AI102. From AI Assistance to Autonomy: When can we stop checking every result? - presented by Sectra View session

Nov 30, 11:30AM

IM3-AI103. AI Theater: AbbaDox View session

Nov 30, 12:00PM

IM4-AI104. Cleared. Proven. Ready. eyonis® LCS, Developed by eyonis, a Median Technologies Company, Brings AI Precision and Speed to support radiologists & pulmonologists in Lung Cancer Screening View session

Nov 30, 12:30PM

IM5-AI105. Practicing at the Edge: How Harrison.ai and Frontier Radiology Are Building Tomorrow's Radiology Practice, Today View session

Nov 30, 1:00PM

IM6-AI106. AI Theater: Vista AI View session

Nov 30, 1:30PM

IM7-AI107. From Imaging Orders to Clinical Action: Improving Patient Care with Agentic Workflows and Novel Foundational AI Biomarkers - presented by TeraRecon View session

Nov 30, 2:00PM

IM8-AI108. Beyond BMI: MRI Body Composition for Metabolic Health, Healthy Aging, and Preventive Imaging - presented by AIRS Medical View session

Nov 30, 2:30PM

IM9-AI109. CARPL.ai: Built for Complexity - Enterprise AI Across Cancer Care and Teleradiology View session

Nov 30, 3:00PM

IM10-AI110. AI-Driven ARIA Monitoring in the Anti-Amyloid Era: Maximizing Clinical Precision and Workflow Efficiency with Neurophet AQUA AD View session

Nov 30, 3:30PM

IM11-AI111. Agentic AI and the Radiology Department of the Future - presented by PocketHealth View session

Nov 30, 4:00PM

IM12-AI112. Radiology Reimagined - Designing AI Around the Radiologist - presented by RSNA View session

Nov 30, 4:30PM

IM13-AI113. MIDRC: Innovation in Imaging AI and Interoperability - presented by RSNA View session

Dec 1, 10:30AM

IT1-AI101. What Every Radiologist Should Know About an Agentic Reporting Platform But Is Afraid to Ask - presented by Jacobian View session

Dec 1, 11:00AM

IT2-AI102. AI Theater: Canon Medical Systems USA, Inc. View session

Dec 1, 11:30AM

IT3-AI103. Retrospective RECIST 1.1 at Scale - presented by iMerit View session

Dec 1, 12:00PM

IT4-AI104. From AI Answers to Accountable Action: Building a Safe Agentic Operating Layer for Radiology - presented by RADIN HEALTH View session

Dec 1, 12:30PM

IT5-AI105. AI Theater: Cerebriu View session

Dec 1, 1:00PM

IT6-AI106. Centaur Labs: Demystifying the 510(k) process for AI Med Device Companies View session

Dec 1, 1:30PM

IT7-AI107. AI Theater: Koios Medical View session

Dec 1, 2:00PM

IT8-AI108. Beyond the image: Unlocking multimodal data for next generation AI - presented by Segmed View session

Dec 1, 2:30PM

IT9-AI109. Royal Health Inc: Burn the Map. Put Intelligence at the Center of Care. View session

Dec 1, 3:00PM

IT10-AI110. AI Is the Means, Not the Mission: Building Reporting Around Radiologists - presented by Rad AI View session

Dec 1, 3:30PM

IT11-AI111. From Medical Data to Deployment: Making Hospital Data AI-Ready (MAPI) View session

Dec 1, 4:00PM

IT12-AI112. AI in Flow: From Algorithm Output to Clinical Action – Findings from a Multicentre Research - presented by AGFA HealthCare View session

Dec 1, 4:30PM

IT13-AI113. AI Theater: Canon Medical Systems USA, Inc. View session

Dec 2, 10:30AM

IW1-AI101. Image Based Risk: The Next Frontier in Breast Cancer Screening - presented by ScreenPoint Medical View session

Dec 2, 11:00AM

IW2-AI102. The impact of deep learning algorithms on productivity and clinical precision in radiology hosted by Siemens Healthineers View session

Dec 2, 11:30AM

IW3-AI103. AI Theater: HOPPR View session

Dec 2, 12:30PM

IW5-AI105. AI Theater: PurpleAI View session

Dec 2, 1:00PM

IW6-AI106. The Trusted AI Layer for Radiology: Learn How neuRealities Turns Institutional Knowledge into Expertise at the Speed of Need View session

Dec 2, 2:00PM

IW8-AI108. AI Theater: Canon Medical Systems USA, Inc. View session

Dec 2, 3:00PM

IW10-AI110. RSNA Knee Abnormality Detection AI Challenge Recognition Event - presented by RSNA View session

Dec 2, 4:00PM

IW11-AI111. Radiology: AI Fireside Chat - presented by RSNA View session
