IS1-IT101. Biopsy Without the CT? DeepSight™ Technology Rethinks Liver and Kidney Interventions with Sensor-Enabled Ultrasound View session

Nov 29, 11:00AM

IS2-IT102. Bringing the Procedure to the Patient: Fusion and Point-of-Care Procedural Imaging - presented by Carestream Health View session

Nov 29, 11:30AM

IS3-IT103. Advancements in High Resolution PCCT - presented by Varex Imaging View session

Nov 29, 1:00PM

IS6-IT106. From ablation confirmation to an advanced imaging platform: RaySearch Laboratories' software journey toward comprehensive cancer care View session

Nov 29, 1:30PM

IS7-IT107. Innovation Theater: BD View session

Nov 29, 2:00PM

IS8-IT108. 400,000 Studies, One Miss: Lessons from Failure - presented by Expert Radiology View session

Nov 29, 2:30PM

IS9-IT109. The Connected Room: Structured Reporting and Interoperability That Work for You - presented by Kailo Medical View session

Nov 29, 3:00PM

IS10-IT110. Startup Pitch: Utune Medical View session

Nov 29, 3:05PM

IS11-IT111. Startup Pitch - A Visible Difference: Enhancing Patient Experience and Interventional Workflows with Akoya Medical View session

Nov 29, 3:10PM

IS12-IT112. Startup Pitch: SQK View session

Nov 29, 3:15PM

IS13-IT113. Startup Pitch - CROMODATA - RWD from LatinAmerica View session

Nov 29, 3:20PM

IS14-IT114. Startup Pitch: Imaginostics View session

Nov 29, 3:25PM

IS15-IT115. Startup Pitch: Contour View session

Nov 29, 3:30PM

IS16-IT116. Startup Pitch - Blur Labs - Foundation models for imaging View session

Nov 29, 3:35PM

IS17-IT117. Startup Pitch - RadShifts - The Imaging Capacity Crisis View session

Nov 29, 3:40PM

IS18-IT118. Startup Pitch - LMC Telemedicine, PA: Subspecialty Teleradiology Led by Radiologists Who Still Read View session

Nov 29, 3:45PM

IS19-IT119. Startup Pitch - Microvascular Therapeutics is transforming ultrasound from imaging to cure View session

Nov 29, 3:50PM

IS20-IT120. Startup Pitch - Remote Imaging Specialists - Safely Alleviating Technologist Shortages While Improving Operational Efficiency, Increasing Revenue, and Enhancing Patient Care View session

Nov 29, 3:55PM

IS21-IT121. Startup Pitch - RadOverlay: AI Reporting Built Around the Radiologist View session

Nov 30, 10:30AM

IM1-IT101. Innovation Theater: Canon Medical Systems USA, Inc. View session

Nov 30, 11:00AM

IM2-IT102. Innovation Theater: LTTS View session

Nov 30, 11:30AM

IM3-IT103. Innovation Theater: Innolitics, LLC View session

Nov 30, 12:00PM

IM1-CE101. Center Stage - Optum Presents: The New Intelligence Era in Imaging View session

Nov 30, 1:00PM

IM6-IT106. From Order to Closed-Loop Follow-Up: Orchestrating the Radiology Patient Journey - presented by RADIN HEALTH View session

Nov 30, 1:30PM

IM7-IT107. Imaging Data as a Strategic Asset: Unlocking the Hidden Value of Healthcare Imaging - presented by Hyland Healthcare View session

Nov 30, 2:00PM

IM8-IT108. The AI Reality Check: Innovation + Governance = Trust - presented by vRad View session

Nov 30, 2:30PM

IM9-IT109. Augmented, Not Automated: How AI Makes Every Radiologist Better - presented by RamSoft, Inc View session

Nov 30, 3:00PM

IM10-IT110. Innovation Theater: Resoundant Inc View session

Nov 30, 3:30PM

IM11-IT111. The Fixed-Site Fallacy: Why the Future of Advanced Imaging and Radiation Oncology is Relocatable - presented by Akumin View session

Nov 30, 4:00PM

IM12-IT112. Bringing the Procedure to the Patient: Fusion and Point-of-Care Procedural Imaging - presented by Carestream Health View session

Nov 30, 4:30PM

IM13-IT113. Delivering Clinical Impact Utilizing Coronary CTA and the Heartflow AI-Based Platform View session

Dec 1, 10:30AM

IT1-IT101. One Connection, Every Partner: Rethinking Imaging Interoperability - presented by Medicom View session

Dec 1, 11:00AM

IT2-IT102. From Routine Chest CT to Cardiovascular Insight: AI-Powered AVC Assessment - presented by Nanox View session

Dec 1, 11:30AM

IT3-IT103. Innovation Theater: New Lantern View session

Dec 1, 12:00PM

IT1-CE101. Center Stage: 4DMedical View session

Dec 1, 1:00PM

IT6-IT106. Beyond 3D: How AI Is Transforming Speed and Consistency in Advanced Visualization - presented by TeraRecon View session

Dec 1, 1:30PM

IT7-IT107. Measure the Patient, Not the Scanner: The Future of Longitudinal Brain MRI with SwiftSight-Brain - presented by AIRS Medical View session

Dec 1, 2:00PM

IT8-IT108. Innovation Theater: Microsoft View session

Dec 1, 2:30PM

IT9-IT109. Innovation Theater: FUJIFILM Healthcare Americas Corporation View session

Dec 1, 3:00PM

IT10-IT110. Bayer Unlocking the Power of Injector Data and Personalization in CT Imaging View session

Dec 1, 3:30PM

IT11-IT111. Automation That Puts the Patient at the Center of Care - presented by Agfa Radiology View session

Dec 1, 4:00PM

IT12-IT112. Innovation Theater: Hyperfine Inc. View session

Dec 1, 4:30PM

IT13-IT113. Before, During, and After the Read: Orchestrated workflow with purposeful innovation - presented by Merge View session

Dec 2, 10:30AM

IW1-IT101. Innovation Theater: Canon Medical Systems USA, Inc. View session

Dec 2, 11:00AM

IW2-IT102. 5x your radiology team's capacity but with the same team - presented by Skia.io View session

Dec 2, 11:30AM

IW3-IT103. Multimodal Oncology AI at the Edge: Connecting Imaging, Genomics, and Clinical Context - presented by Kontron View session

Dec 2, 1:00PM

IW6-IT106. Innovation Theater: Raidium View session

Dec 2, 1:30PM

IW7-IT107. New Scanners, Same Problem: How to Solve the Skill Gap that Exists Within Your Technologist Workforce - presented by ScanLabMR + ImagingU View session
