

Inline / Extended Header Exhibit

The minimum exhibit space is 10' x 10' and rented in multiples (10' x 20', 10' x 30', etc.) The back 5' of the basic exhibit may be occupied up to a height of 8'. The front 5' of rented space may be occupied from the floor up to a height of 4'. Equipment/product may exceed the 4' height limit but may not be higher than 8' and must be placed so as not to block the view or impede the sight lines of adjacent exhibits. Live video or demo stations must be confined to the back 5' of the rented space. Hanging signs are not permitted. Floor covering is mandatory. **Premium Inline exhibits cannot exceed 300 sq. ft.- NEW for 2026**

RSNA will set each inline booth with 8' high back drape, 3' high side rail and a 17"x11" identification sign.

Inline Extended Header (can be used in a inline booth that is 10'x20' or longer)

- All rules for the Inline booth apply to the Extend Header, except that the center extended header can be up to 8' high, 4' wide and extend 9' from the backwall
- Monitors are not allowed on the front of the extended header
