Exhibit Staff Best Practices

Share these helpful best practices with your onsite exhibit staff to have a successful annual meeting.

Emergency procedures

All Emergencies (Police/Fire/Medical)

Call **McCormick Place Security at 1-312-791-6060** or dial **6060** from any house phone and provide the following:

- Nature of the emergency
- Your Name
- Phone number where you can be reached
- Exact location (if you are inside the exhibit halls, provide the letter/number of the nearest column)

After calling emergency personnel, notify **RSNA security at 1-312-791-6640** or dial **6640** from any house phone. You may use this number for any non-emergency security concern.

First Aid (non-emergency)

Fully equipped first aid stations are staffed by licensed medical professionals and located throughout McCormick Place.

- North and South Buildings: Level 2.5 Grand Concourse, west of the Business Center
- Lakeside Center East: Level 1, behind telephone bank

Registration/Badges

Note: New exhibitor registrations will not be available onsite at McCormick Place this year. All exhibit staff must be registered online by their primary contact. Exhibitor registration can be completed both before and during the annual meeting. To get started, visit the [Exhibitor badge registration page](#).

Exhibitor staff not registered will be directed to contact their primary exhibitor contact to register the individual.

Name badges are produced by using the company name submitted on the application/contract. The official RSNA badge must be worn at all times while at McCormick Place. Exhibitors and their representatives must wear their official

identification badges at all times while on the exhibit floor and in meeting rooms. These badges are issued for your protection and identification.

Badges must not be loaned or given to other individuals.

No one will be admitted to the show floor without the proper credentials. It is the responsibility of the exhibitor to obtain badges for each person working in the booth.

Exhibitor representatives must remain in your booth and are not admitted to the exhibit floor for the purpose of viewing other exhibits. Exhibitor personnel may not enter another exhibitor's booth space without obtaining permission.

Each exhibiting company will receive five (5) complimentary badges for each 100 square feet of exhibit space purchased. There will be a \$100 fee assessed for each badge produced over the complimentary allotment. There are no refunds for badges purchased but not used.

Badge Distribution (group/individual)

For your convenience, we offer the following options for badge distribution.

- **Group pickup:** Company's main contact is required to set up an onsite appointment to pick up company exhibitor personnel badges. It is the contact's responsibility to distribute badges to the appropriate exhibitor personnel. Onsite appointments must be scheduled by Friday, November 15 through the exhibitor registration dashboard.
- **Individual pickup:** Individual exhibitor personnel may pick up their own badge onsite at any registration location and will be required to show a photo ID. Individual exhibitor personnel badges can only be picked up by the registered individual.

Exhibit Install/Dismantle

Freight receiving

Trucks can begin checking in at the marshalling yard two-hours prior to your target move-in assignment. Your drivers will be directed to the McCormick Place Truck Marshalling Yard upon arrival. A dock location and number in line will be assigned to each shipment as it arrives, based on target assignment. Numbers are assigned on a first-come, first-served basis. Your shipment will be unloaded as dock space becomes available based on your driver's number in line.

Due to the large amount of freight being received, the time between arriving at the marshalling yard and unloading may be several hours (but is often much less).

- 7:00 a.m. targets will begin unloading by 11:00 a.m.
- 11:00 a.m. targets will begin unloading by 3:00 p.m.

All freight deliveries (including cars and vans) will be checked at the marshalling yard and checked again before entering the McCormick Place complex. You can verify at the Exhibitor Service Center whether or not your shipment is in line. You can also set up to receive alerts about your inbound freight by logging into your account through the [Exhibitor Service Kit](#).

Target Move-in Assignments

To assist with a smooth installation, all booth set-up times will be based on the [RSNA 2024 target move-in assignment schedule](#):

- [South Hall A](#) (Booths 1000-5999)
- [North Hall B](#) (Booths 6000-8599)

Target assignments are based on exhibit size and complexity, proximity to freight doors, impact on surrounding exhibitors and the overall movement of freight within the exhibit hall. Companies have been assigned target move-in dates between Thursday, November 21 and Wednesday, November 27. General move-in for all exhibitors takes place Friday, November

Sunday, December 8	Exhibit halls closed
Monday, December 9	8 a.m. - 12:00 p.m.

Please review rule numbers five and six in the [RSNA Rules & Regulations](#) document regarding specific installation and dismantling requirements. If you have any questions onsite, contact your floor manager or the RSNA Exhibition Services Office.

Automobile and Small Utility Vehicles (ASUV) Policy

Exhibitors can load/unload materials from automobiles and small utility vehicles at designated McCormick Place docks using exhibitor-owned, non-motorized, non-hydraulic hand trucks and dollies.

This service will be available during **move-in** on Saturday, November 30 from 8:00 a.m. to 12:00 p.m. and 12:30 p.m. to 4:00 p.m. During **move-out** on Wednesday, December 4, this service will be available from 5:00 p.m. to 8:30 p.m. Complete guidelines on this policy can be found in the [RSNA ASUV 2024 Guidelines](#).

Crates & cartons

Please be considerate of your neighboring exhibitors by limiting the amount of freight left in the aisles during setup.

Empty Crates

If you must move your crates into the aisle to lay carpet, return the crates to your booth after the carpet is laid, until you are ready to have them removed. As you empty your crates, immediately label them with “empty” stickers so that they may be removed from the floor. “Empty” stickers can be obtained from the Exhibitor Service Center or any floor manager.

We ask that all crates be removed from the exhibit floor by 4:30 p.m. on Saturday, November 30. If, at this time, you are still working from some crates, special arrangements must be made with your floor manager so the crates may remain in your exhibit space. No crates will be allowed in the aisles after 6:00 p.m.

Crate Return

At the close of the meeting, your crates will be returned to your booth as soon as possible, after all aisle carpet has been removed. **This may take up to 6 - 8 hours.**

When you have finished packing your exhibit for shipping, you must submit a complete, legible Material Handling Agreement (MHA) to the Freeman in the Exhibitor Service Center. All invoices must be paid prior to receiving an MHA. Do not leave the Material Handling Agreement (MHA) with your freight. If you have arranged for a specific carrier to handle your materials for outbound shipment, you must indicate the name of that carrier on the outbound MHA. If no specific carrier is indicated, the official drayage contractor (Freeman) will designate the most convenient carrier available. If your carrier does not show up, freight will be loaded at the contractor’s discretion.

Labor services

Labor and/or service orders placed in advance should be confirmed at Exhibitor Service Center immediately upon your arrival at the exhibit hall. Only labor orders scheduled for 8:00 a.m. starts can be guaranteed. All other orders will be accommodated as availability allows.

Onsite orders will be accommodated on a first-come, first-served basis. If you need labor at 8:00 a.m. or before, your order must be placed by 2:30 p.m. the day before the work is required. If you require labor beyond 4:30 p.m., arrangements must be made prior to 2:30 p.m. that day.

RSNA will not allow Exhibitor Appointed Contractor (EAC) service desks in the lobby areas or in the no freight/fire safety aisles in Halls A & B. All EACs must confine operations to the booth space of their clients. No service desks, storage areas or other work facilities can be staged anywhere else in the building, unless a written request has been approved by RSNA and the official contractor prior to move-in.

Be sure to read and sign all bills for labor prior to the close of the meeting. Make sure all bills are legible and understandable before leaving McCormick Place. In cases where there appears to be a discrepancy, do not voice your objections directly to the craft personnel. Bring any such work orders to the appropriate counter in the Exhibitor Service Center to address your concerns with the contractor’s supervisory staff.

McCormick Place and labor management request the cooperation of everyone to inform McCormick Place security of any attempts to intimidate, steal, bribe or solicit a gratuity. These practices are strictly forbidden.

Exhibitor Bill of Rights

Exhibitor employees* may perform work in a booth of any size. You can work within your booth using your own ladders or hand tools, cordless tools, power tools and other tools designated by McCormick Place. In addition to the work already permitted for exhibitors to perform, you may also perform the following work within your booth:

- Setting up and dismantling exhibits
- Assembling and disassembling materials, machinery, or equipment
- Installing all signs, graphics, props, other decorative items, and exhibitor drapery, including the skirting of exhibitor tables
- Delivering, setting up, plugging in, interconnecting, and operating the exhibitor's electrical equipment, computers, audio-visual devices, and other equipment
- Skidding, positioning, and re-skidding all exhibitor materials, machinery and equipment using non-motorized hand trucks and dollies
- All exhibitors are prohibited at any time from using scooters, forklifts, pallet jacks, condors, scissor lifts, scaffolding, motorized dollies, or similar motorized or hydraulic equipment on McCormick Place premises.

*"Exhibitor Employee" is defined as any person who has been employed by the exhibitor as a full-time employee for a minimum of 6 months before the show's opening date. Proof of employment in the form of a W-2, payroll document or other documentation may be required upon request if deemed necessary by McCormick Place management.

Documentation must be furnished within 24 hours of notification.

[Click here](#) to review the complete McCormick Place Exhibitor Bill of Rights. Please call 1-312-791-7299, if you have any questions or need clarification regarding the Exhibitor Bill of Rights. Leave a detailed message including your name, company name, phone number and date and time of the call. Your call will be promptly returned between the hours of 7:00 a.m.- 6:30 p.m.

Exhibitor safety

RSNA supports a safe working environment.

The installation and dismantle of the Technical Exhibits is an active work area. Please be aware of your surroundings at all times. Avoid distracted walking – get to a safe place to use your phone. Watch out for forklifts, motorized carts, and scooters. Watch your step when navigating the exhibit halls. Avoid trash, spilled liquids, and other debris. Wear flat, close-toed shoes. Beware of work being performed above you. All accidents/incidents (no matter how slight) are to be immediately reported to the area or booth supervisor on duty. In case of a medical emergency, please contact McCormick Place Security at 1-312-791-6060 or dial 6060 from any house phone.

Early and late hall access procedures

If required, permission to work at 6 a.m. and/or extend work to midnight will be considered. Your floor manager or the RSNA Exhibition Services Office should be notified of your request by 2:30 p.m. each day. Crew size, times and booth location need to be provided for security purposes.

Security

In an effort to enhance the experience of each exhibiting company, please review the following security precautions to protect your property before, during and after the meeting.

RSNA will provide perimeter security of the exhibit floor during setup, meeting and move out. It is each individual exhibitor's responsibility to safeguard items of a compact or valuable nature. Security guards are available for hire. Booth guards can be ordered at the security office in either exhibit hall located in the [South Hall near booth 1000](#) and in the [North Hall near booth 8100](#).

Lost articles may be picked up in the RSNA security office located in the [North Building near booth 8100](#)

Storage Options

Accessible storage

Exhibitors needing accessible storage during the annual meeting should visit Freeman in the Exhibitor Service Center.

Security office storage (overnight or short-term)

Exhibitors can also leave high value items in the onsite security offices on a short-term basis or overnight at no charge (subject to space availability). This secure area will be available from Thursday, November 21 through 4:30 p.m. on Monday, December 9.

Security Offices:

Reporting theft

RSNA, Freeman and McCormick Place are not responsible for any loss or damage of merchandise. Nor are they responsible for personal injury to any exhibitor, respective employees, representatives, or agents at any time.

To report thefts, please contact RSNA Security at 1-312-791-6640 to file a report and then contact RSNA at exhibits@rsna.org.

Security Tips

Prior to the meeting

Never ship electronic equipment in the manufacturer's carton. Either place the carton inside a larger crate or have a special container built. Do not list the contents on the outside of your crates. Number and manifest each crate prior to shipment.

Arrange for insurance to protect your exhibit and product against damage or loss from the time it leaves your premises until it returns. In most cases, a rider can be added to your present policies for a nominal cost.

During setup and move-out

Freight shipments are the responsibility of the exhibitor. If someone from your company cannot oversee the exhibit until it is loaded onto outbound carriers, items of a desirable nature should be brought to one of the security offices (North Hall near booth 8100 or South Hall near booth 1000). Arrangements for pickup can be made through Freeman or the security supervisor. At the break of the show, Wednesday, December 4, this service is again available for exhibitors who need assistance with loading out product of highly sensitive merchandise.

Keep in mind that items of a compact or valuable nature should never be left unattended. Space in the security offices is available free of charge for exhibitors to store these items overnight. This service is available from the beginning of move-in to the end of move-out. Complete an accurate bill of lading for your shipper.

Sustainability Tips

RSNA green initiative and recycling

RSNA is committed to hosting one of the greenest and cleanest meetings in the industry. As a result, all exhibitors, and Exhibitor Appointed Contractors (EACs) are strongly urged to work with our general contractor, Freeman, to remove waste and help with recycling efforts. The effectiveness of this recycling program relies upon maintaining separate streams for materials that can be reused and recycled.

New E-Waste & Battery Recycling Program

RSNA will offer battery and electronic equipment recycling at each Exhibitor Service Center this year.

- Look for the large orange rolling tote container to drop off items like phones, laptops, printers, keyboards/mice, monitors, cords/wires and other electronics.
- Look for the white 5-gallon bucket to discard lithium batteries.

Exhibit installation days

- Break down and flatten all corrugated boxes and place them at the edge of your booth—NOT in the aisles.
- Place all metal banding and wood separate from other trash at the edge of your booth.
- Trim out all protective plastic covering by 4:00 p.m. on Saturday, November 30.
- Break down corrugated cardboard containers and place them at the edge of your booth. Garbage cans can be found by the columns along the aisles and will be paired with a co-mingled recycling container.

Exhibit dismantle days

- Break down and flatten all corrugated boxes.
- Roll up any carpet and padding and leave at edge of booth. Do not throw in open dumpsters.
- Remove any double-faced carpet tape.
- Separate wood, carpet, padding and metal banding from other waste in your booth.

Photography/Videography Guidelines

Professional attendee

Exhibitors may not deny a reasonable request from an attendee to photograph or videotape an exhibit from the aisle.

Exhibitors

Registered exhibitor employees are allowed to photograph, and film/video record their own company's booth during exhibitor personnel access hours.

Exhibitors may request to use a third-party photographer or film/video crew for internal marketing purposes during published exhibit hours. Companies requesting a third-party contractor other than the designated official show contractor must complete and return the RSNA Third-party Photographer/Videographer Request Form by October 15, 2024. The [RSNA Third-party Photographer/Videographer Request Form](#) can be found in the Exhibitor Service Kit. Third-party contractors must adhere to the following guidelines:

- Any third-party contractor must be registered as an RSNA Exhibitor-Appointed Contractor (EAC) and provide valid Certificates of Insurance (COIs). Upon EAC approval, the exhibit hall access credentialing process will be shared with third-party contractors.
- Photography, film/video recording and/or livestreaming is always allowed within the assigned exhibit booth of the requesting exhibitor.
- All photography and/or video recording must not interfere with exhibition setup, activities or teardown. Use of electrical lighting is prohibited during official exhibit hours, Sunday, December 1 – Wednesday, December 4, 10:00 a.m. to 5:00 p.m.
- Photography and video recording outside of the normal hours of operation (as noted above) are not permitted without prior approval of show management.

Refer to [RSNA Third-party Photographer/Videographer Request Form](#) for complete guidelines.

Each exhibitor is responsible for controlling access to its booth(s) and may prevent non-qualified people (including exhibitor personnel) from gaining access to, photographing, and/or video recording contents of its exhibit or its presentations inside the boundaries of its rented space.

Contact an RSNA floor manager or call the RSNA Exhibition Services Office at 1-312-791-6600 if you experience problems with another exhibitor videotaping your exhibit (if possible, photograph or video record the inappropriate activity for proof and ease of reference).

Exhibitor Property Passes

Exhibitor Property Passes must be used when taking anything (except personal purses, briefcases, luggage and backpacks) out of the exhibit hall during . Passes may be obtained at exhibit hall exits, from the [Security Office located in the North Building](#) near booth 8100 or the RSNA Exhibition Services Office located in the South Hall, [booth 5909](#).

If you have any questions regarding your freight, please visit the Exhibitor Service Center or contact your floor manager for assistance.

Exhibitor Utilities

Electricity

Electrical work during RSNA 2024 must be performed by one of Freeman Electricals' electricians. However, exhibitors may deliver, set-up, plug-in, interconnect and operate their own electrical equipment, computers, audio-visual devices,

and other equipment. Freeman Electrical order forms can be found in the [Exhibitor Service Kit](#) under Shop Products & Services.

Power/Lighting

During setup and dismantle, basic floor power and overhead lighting will be provided during standard move-in hours, 8:00 a.m. to 5:00 p.m. For show days (December 1 - 4), power and lights will be provided from 8:00 a.m. to 5:00 p.m..

Extended power

Should you require power outside of the hours listed above during installation/dismantle, extended power can be ordered for a flat fee per day, in addition to the outlet price. Orders must be placed at the Freeman Electrical Desk in each building at the Exhibitor Service Center prior to 2:00 p.m.

24-hour service

Should you require power at times other than the show hours listed above, special arrangements must be made prior to 2 PM on the day you will require 24-hour power. This service may be ordered for just one circuit or for the entire booth. Order only what you need, as 24-hour service will be billed at twice the unit price. You can place new orders or confirm your electrical orders at the Freeman Electrical Desk in each building at the Exhibitor Service Center.

Telephone service

McCormick Place Technology Services provides dial tone and telephone instruments at one flat rate on a rental basis. You can place orders onsite at the by calling 1-312-791-6113. [Telephone order forms](#) can be found in the Exhibitor Service Kit under Specialty Contractors

Please note: You can reach any number within McCormick Place by dialing the last four digits of the number. However, calling from outside will require dialing the full number:

North Building, Hall B.....1-312-808-xxxx

South Building, Hall A.....1-312-791-xxxx

RSNAnet (Hardline Internet)

Exhibitors who ordered RSNAnet internet service in advance of move-in will find their connection available at the location indicated on the submitted drop diagram.

All main internet drops will be installed no later than 4:00 p.m. on Friday, November 29 at no charge. RSNAnet staff will test the cables at that time and tag them with the technical information specific to each company. New orders may be placed onsite at the RSNA Exhibition Services Office located in the South Hall, [booth 5909](#).

Despite our best efforts, problems may occur with your connection. If you suspect that there may be a problem, please first determine if the source of the problem is inside the booth. If you have done this and still feel there is a problem, you should report the concern to the RSNA Help Desk at 1-312-949-3205.

Inspections

Fire/safety inspections

Complete electrical and fire regulations have been included in the [McCormick Place Rules and Regulations](#) found in the Facility Information section of the Exhibitor Service Kit. Inspectors from the City of Chicago Bureau of Fire Prevention will conduct inspections of exhibits during the installation period. These inspectors are completely independent of McCormick Place.

Electrical inspections

Electrical inspectors will verify that all wiring and electrical apparatuses are in compliance with the Chicago Electrical Code. If an inspector finds a violation, the apparatus will be marked with a red tag indicating the specific violation. Should a piece of equipment or display component be tagged, you must go to the Exhibitor Service Center to arrange for electricians to correct the violation(s) indicated.

Compliance with the electrical inspector's recommendation(s) is required by law.

Fire inspections

It is advisable to review the fire regulations found in the [McCormick Place Rules and Regulations](#) to verify that you are not in violation.

Fire inspectors will pay particular attention to exhibits:

- Containing large enclosures such as false ceilings, second decks, etc.
- Requiring extensive electrical service
- With storage areas and/or computer rooms
- With cartons stored behind booth drape (which are a violation of fire regulations and must be removed)
- Multi-level booths (which must have prior approval)

In cases where the enclosed area exceeds 1,000 square feet (93 square meters), a fire guard is required during [exhibit hours](#). Should this occur, you will be advised by RSNA that such a recommendation has been made. RSNA will arrange for fire guards and will invoice the exhibitor after the meeting if arrangements have not been made by the exhibitor.

Hours of operation

Sunday, December 1 – Wednesday, December 4

8:00 a.m.-5:30 p.m.

RSNA will designate an area for the display of exhibitor news materials within the RSNA Newsroom. Exhibitor representatives are to check in at the newsroom's main registration desk and leave materials with the receptionist. Exhibitors are encouraged to periodically check with the receptionist to determine the supply of news materials remaining.

Exhibitors must retrieve leftover materials from the newsroom by 5:00 p.m. on Wednesday, December 4 or they will be discarded.
