Audrey Verde, MD, PhD – Duke University, USA
Greg Zaharchuk, MD, PhD – Stanford University, USA
John Mongan, MD, PhD – University of California San Francisco, USA

Data Contributors

Thanks to the following institutions for contributing de-identified CTA, MRA, MRI images and associated clinical data that was assembled to create the challenge dataset:

Aga Khan University Hospital, Pakistan
Chiang Mai University, Thailand
China Medical University Hospital, Taiwan
Duke University, North Carolina, USA
Fleni, Argentina
Gold Coast, Australia
Hacettepe University School of Medicine, Türkiye
Koç University, Türkiye
Memorial University of Newfoundland, Canada
Intermed Hospital, Mongolia
Liverpool Hospital, Australia
Philippine General Hospital, Philippines

Queen's University, Canada

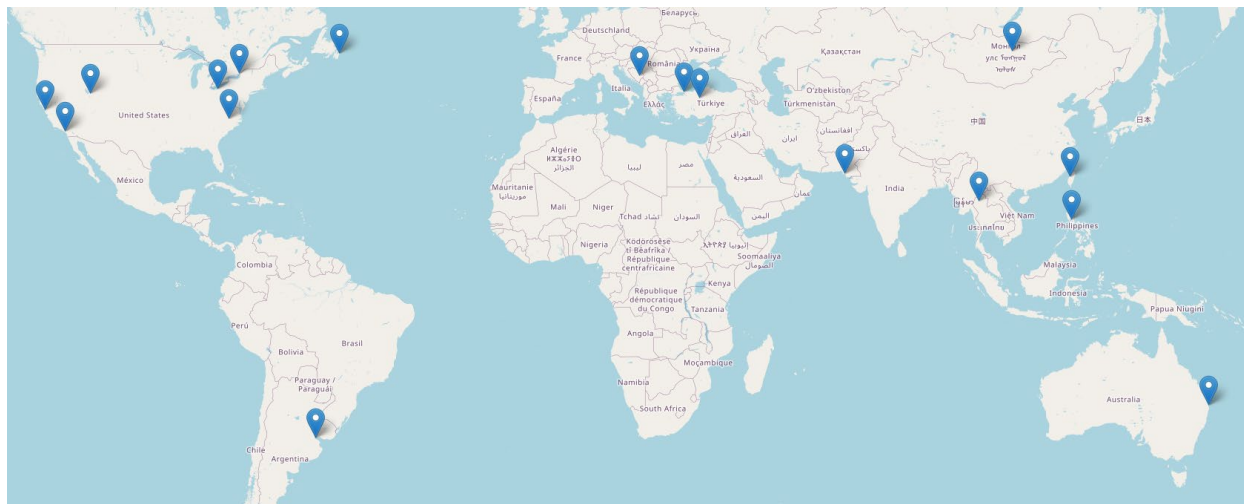

University Hospitals Cleveland Medical Center, USA

University of California Irvine, USA

University of California San Francisco, USA

University of Sarajevo, Sarajevo, Bosnia and Herzegovina

University of Utah, USA

Data Annotators

The challenge organizers wish to thank the American Society of Neuroradiology (ASNR), the Society of NeuroInterventional Surgery (SNIS), and the European Society of Neuroradiology (ESNR) for recruiting its members to label the dataset used in the challenge.
