RSNA Hosts Town Hall Webinar on COVID-19 and Private Radiology Practice

Released: July 29, 2020

OAK BROOK, Ill. (July 29, 2020) — As part of its commitment to connecting radiologists and the radiology community to the most timely and useful COVID-19 information and resources, RSNA has developed a new webinar designed to help radiologists manage their private practices and deliver optimal patient care in the coming months of the pandemic.

[Town Hall Discussion: How COVID-19 Is Changing Private Radiology Practice](#)

Friday, August 7, 2020, 12:00 p.m. - 1:00 p.m. CT

Leaders from a variety of radiology private practice models discuss the impact of the pandemic on their operations, hiring and long-term strategy. The webinar is free and open to all, but [registration](#) is required.

Moderators:

- Carolyn Meltzer, M.D., William P. Timmie Professor and Chair of Radiology & Imaging Sciences and Executive Associate Dean of Faculty Academic Advancement, Leadership, & Inclusion, Emory University School of Medicine; RSNA Board Liaison for Science
