

SAFETY STATEMENT IN RESPONSE TO RECENT ATTACK IN PARIS FRANCE

From Choose Chicago and McCormick Place

November 18, 2015

Security remains a top priority at McCormick Place. And, in the near term we will meet with our customers to review security plans for each event individually. We remain in contact with the Chicago Police Department (CPD) and regularly provide CPD with information on activities at McCormick Place and in turn CPD provides us with updates related to Chicago or McCormick Place. At this time, we have not been notified of any security concerns related to the convention campus.

The CPD has been actively monitoring activity since the tragic events unfolded in Paris, France. Currently there is no credible threat or nexus to Chicago. In the interest of public safety, the CPD remains in constant contact with its federal and international partners to evaluate and respond to any changes in intelligence.
