

Get the latest in science and education – wherever you are.

Wherever you have an Internet connection, you have access to the most cutting-edge research and opportunities to expand your continuing education. RSNA Journals Online bring you everything the print journals offer, and much more.

Explore:

- Articles published ahead of print
- Interactive image datasets
- Podcasts
- Image Zoom
- Videos
- Forums for discussing articles and cases with colleagues
- Instant CME credit via online CME tests
- The *Radiology* Legacy Collection, a searchable archive of historic *Radiology* issues from 1923 to 1998

Learn more about these features at RSNA.org/Options.

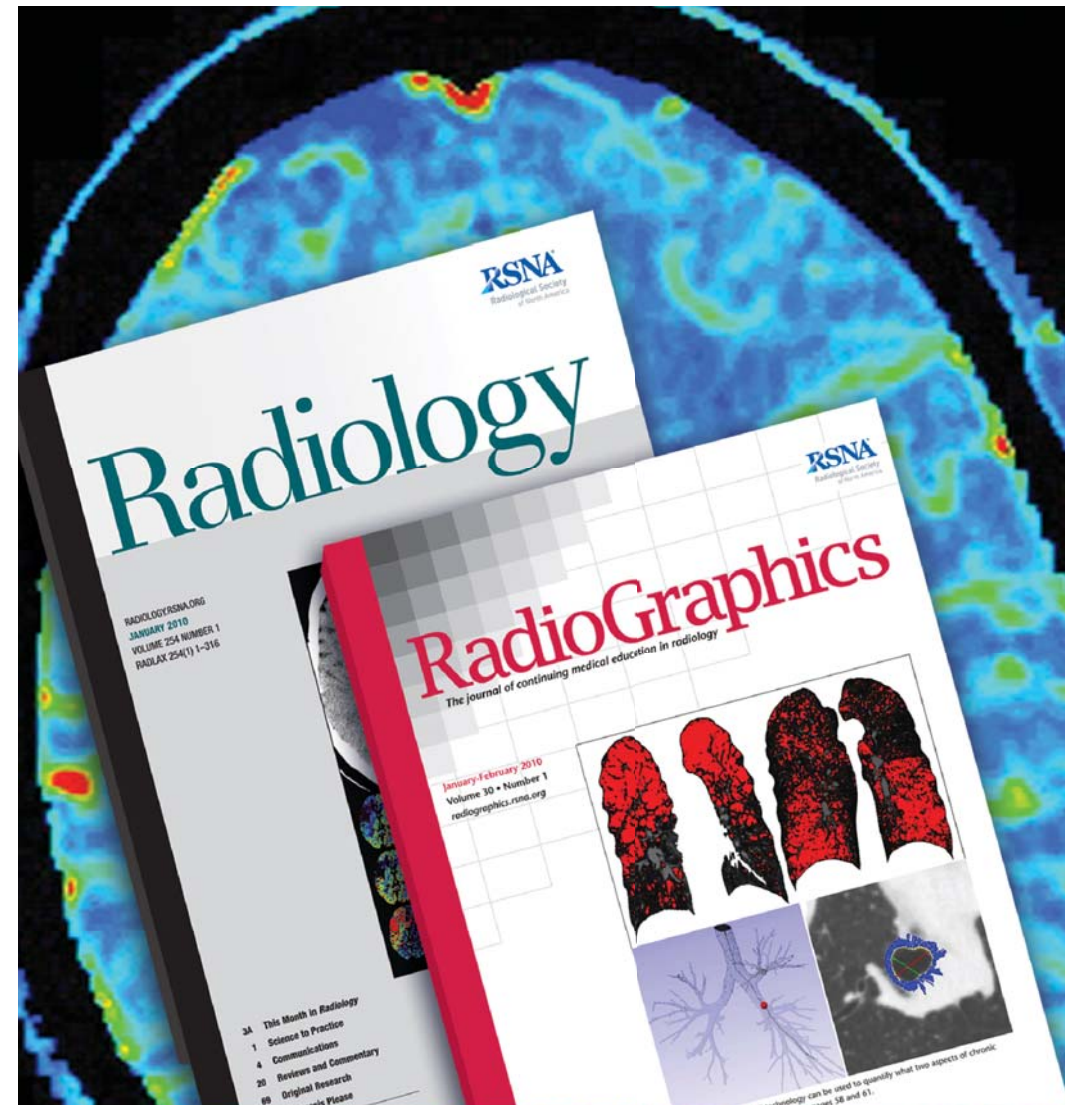

Radiology and *RadioGraphics* are published in print and online by the Radiological Society of North America (RSNA®), the leader in radiologic science and education.

RSNA JOURNALS ONLINE

User Guide

It's Even Better Online

Get the most of your journal subscription.

1 USER LOG-IN

Open your Internet browser.

• To access RadioGraphics:

Type in <http://radiographics.rsna.org>

• To access Radiology:

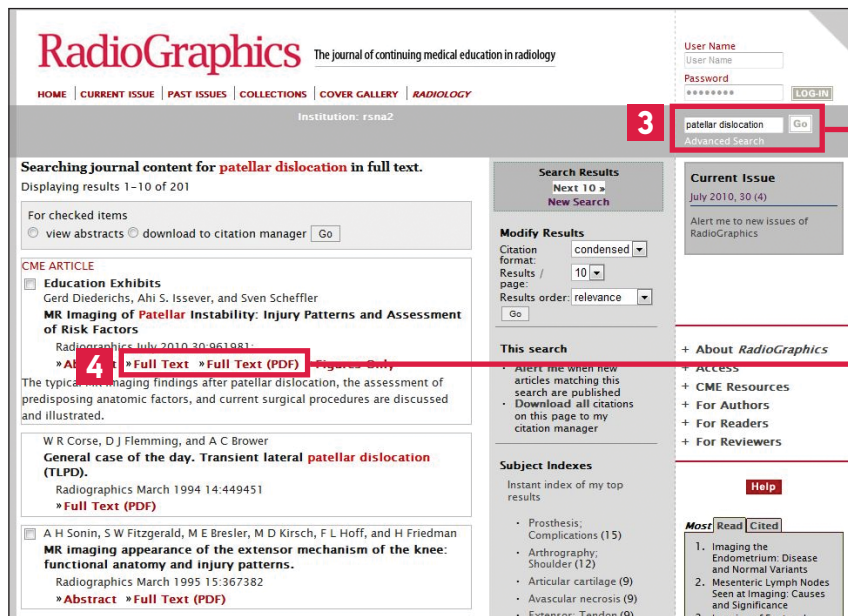

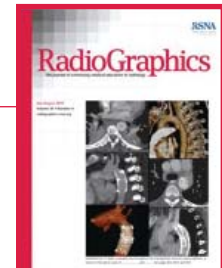

Type in <http://radiology.rsna.org>

Here's where RSNA members and journal subscribers enter their user name and password to access the online journals.

Don't know your user name or password? Call 1-877-RSNA-MEM (776-2636) or send an email to membership@rsna.org. Or, click Log-In and then click "Forgot your user name and password?"

2 TABLE OF CONTENTS

Click on the journal cover to view the Table of Contents of the current issue. Then you can scan the titles for an article you'd like to read.

3 SEARCH BOX

Enter keywords here to conduct basic and advanced searches for journal content.

4 ARTICLE

View a full article in the online format by clicking "Full Text." If you plan to print out the article, click "Full Text (PDF)."

» Full Text » Full Text (PDF)

Please note that the instructions shown here are the same for both *RadioGraphics* and *Radiology*.
