

# RSNA R&E Foundation Announces Recipients of the 2016 Roentgen Resident/Fellow Research Award

The RSNA Research & Education (R&E) Foundation presented the 2016 Roentgen Resident/Fellow Research Award to 181 residents and fellows throughout North America. This prestigious and competitive award recognizes trainees who have made significant contributions to their departments' research efforts as evidenced by

- Presentations of scientific papers at regional or national meetings
- Publication of scientific papers in peer-reviewed journals
- Receipt of a research grant or contributions to the success of a research program within the department
- Other research activities
