New for 2017! Badge Mailing Policy Update

Badges will not be mailed in advance. All attendees must pick up badges and meeting materials onsite at RSNA 2017 at designated areas throughout McCormick Place. A valid photo ID is required.

Badge Classification

Badge classification is subject to RSNA approval and category or rate change. Registration categories 15, 18 and 23 require verification in order to be processed. These categories require a business card, a letter from hospital administration stating your role in radiology, a valid RT license or student ID copy. Upload during online registration or email rsnaverify@experient-inc.com. If verification qualifies for a different registration category, the registration will automatically be reclassified and charged the appropriate fee. Registration is subject to cancellation if verification is not provided within five business days after registration.

Spouse/Family Member Badge

Annual meeting professional registrants* are entitled to one complimentary spouse/family member badge; each additional badge is $50. This badge is intended for use by a spouse or family member (16 and over) accompanying an annual meeting professional registrant to the meeting. It allows access to technical exhibit halls, Learning Center and classrooms, space permitting, after all professional registrants have been seated. CME credit is not tracked or awarded. A co-worker or industry associate is not eligible for this badge and must register as a professional and pay the applicable registration fee. To uphold the professional and educational standards of the RSNA annual meeting, children under 16 years of age are not permitted in the exhibit halls and will not be issued a badge.

*Excludes Virtual only and Technical Exhibits only package registrants.
